## **NEIL KEENAN UPDATE | The End Is Near**

February 17, 2021

*The cabal are in a state of desperation. They are attempting to steal the assets of the East while offering currencies that have no value.*

*They are fighting to stay alive whilst trying to create a duplicate of the Bretton Woods agreement with a new name: The New World Order.*

*But the East is no longer sleeping. Nor are We The People in The West.*

*It is nearly over. Soon you will find Donald Trump in the position of President, as such that he legally won. And we will find many of those who attempted to steal the US elections in Guantanamo as well as American prisons.*

*Enjoy your read. This all is coming to a head.*

Traditionally there have been three types of business. Build, maintain and destroy.

The catalyst remains the same. Change. In financial circles, wealth generation rarely exists in its pure form – at least in about 150 years.

The wealthy increase the percentage of their formulae to profits, and the use the money politically to enforce market share – until someone else creates an alternative to the existing value proposition.

Governments around the world (under such monikers as democracies, communists, dictatorships, monarchy – in essence all of them) and non-government agencies (including banks) have one role today.

To steal your money. Through taxes, levies, inflation (another form of tax), deflation (endless printing of money with no backing asset value) there is a persistent formula being applied in a coordinated effort to enslave all humanity.

These are absolute truths.

The accumulation of the lies printed, issued, taught and enforced that this is not the case are crumbling and creating gaps in either linear or matrix logic application.

The world is about to see the truth, and the existing logic gaps are about to become vast canyons.

Neil Keenan and his team are ready to rumble the foundation of all society in a manner that will create a credibility gulf that the history of humanity has no historical context upon which to refer.

The moment is upon him and the time to assume all aspects of the office of Amanah with both authority and power is nigh.

This last phase has presented a number of problems and challenges despite almost zero support from both interested parties as well as those that will vie to be first in line when the great adjustment to a gold backed currency takes shape.

Imagine having governments, administrations and other bureaucratic maneuvering to take everything you built over a lifetime “legally” take it all away with the stroke of a pen.

Imagine having these entities working in concert to protect their lies and prevent the demise of their hegemony. These actions actually take place.

Ask Neil Keenan about what they took from him and the Elders by governments around the world; nevertheless, Neil keeps moving forward with little support from the people that will benefit the most with the overhauled financial systems.

'Going it alone' has no greater meaning to humanity than the historical reference to the individuals and very small groups of people that stood up to be architects of a different path and dialogue.

Each culture and era has a very small number of people that profoundly changed the course of their society. Even smaller were the lists of people that did so on a global basis. Name the last person that with a handful of people changed the global truth.

This is true of Neil and his team, and their narrative.

Neil and his team stand upon the edge of the cliff and are prepared to 'take the plunge' and do the very difficult things needed in changing the very nature of money.

So why does he need to finance himself? So, must he also be delayed because he has to raise the funds necessary to strike the first blows for a new freedom that will benefit all humanity?

To assemble the components and take the final step is a cost that is disproportionate relative to the benefit.

Yet people who have the ability to pull together the threads of truth remain silent, and they offer no financial support to ease the burden of the volume of work to be completed.

Many have reached out to make deals, but offered neither financial support, nor media encouragement.

The list of people that have endured to make this happen is exceedingly small, as will be the list of the people entrusted to either carry out the designed implementation and the benefits of having a true commitment to seeing the critical blows for freedom of humanity happen.

When lives reach, their completion, and you face your God and have to atone for your life and the direction of your soul – you will have to answer one question.

Did you do everything you could to advance the freedom of humanity? Neil and his

team are doing 'their part' and much of humanity's as well.

What is holding you back from helping? Do you want a better world or just talk about it?

### **NEIL KEENAN UPDATE | Bankers Beware: The First Of Many Salvos**

March 13, 2021

Nowhere to run. Nowhere to hide.

For a long twelve years we have had our local favorite Neil Keenan chasing animals back into the forests, later to see them reincarnate themselves into nasty human beings.

*[Images, links and further details have been added to the source material.]*

Oh but how their stench exposes them.

Some refer to these things as lizards, possessed by entities via dark rituals, shape shifters or God knows what. Certainly, we have never heard them termed as caring or loving. Their very survival depends upon the destruction of society as we know it.

90% of our very own are to be exterminated as detailed in their own historical statements. They are not afraid to tell you such things as they apparently believe that they hold weapons that can eliminate our very being.

What they do not hold (and are mighty scared of) are our numbers:

We The People.

The Billions of people on this planet that 'they' (the Cabal) will have to contend with once most of the people wake up, which is now happening on an exponential scale.

'They' are currently running New Zealand, Iceland, Antarctica, while at the same time making end-arounds on Indonesia, Finland, Australia and others.

They must be stopped. They were brought to their knees in the US by a few good men and their will and desire to save their people; President Donald Trump, Neil Keenan etcetera. The results of this are yet to be publicly revealed, however there are hints that are being found by the astute.

You know who Neil Keenan is, but not many others do not.

However, ask French Ex-President Nicolas Sarkozy who took the life out of him and his stolen election against Marine Le Pen and you will hear Neil's name whispered.

Ask the Dutch Ex-Queen Beatrix, and she just might tell you who forced her to abdicate her throne. Pssstt, Neil.

Ask Italian Ex-Prime Minister Silvio Berlusconi what pushed him into accepting a Plea and you just might hear the name Neil again. That's right – two years in jail.

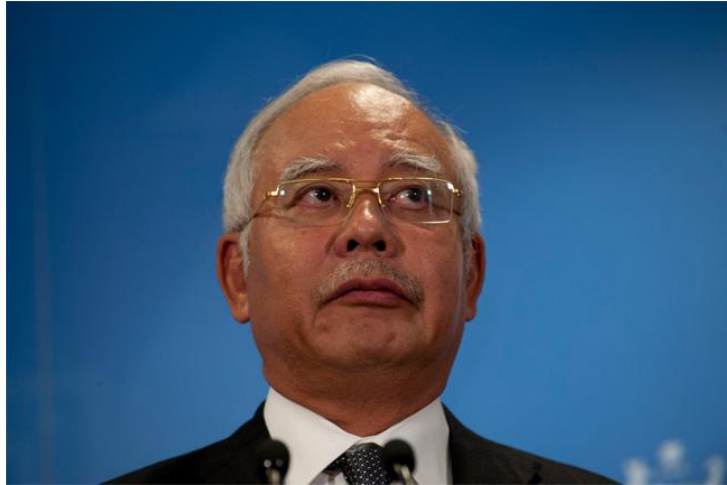

Ask South Korean Ex-President Park Geun-hye who had her removed from office, and it would be Neil with a little help from his friends (and no Joe Cocker is not one of them).

Then you have Ex-Malaysian President Najib Razak who was removed (arrested) by his very own government.

But ask who it was that the Parliament based their corruption support indictment on and you will hear that Neil's name was mentioned time and time again during their sessions.

Ban Ki-moon left unannounced from the UN finding himself in his home country of South Korea with hopes of securing good standing and an opportunity to become its next President, only to find that Neil put the kibosh on this as well.

Hastily leaving for China, he found no one to collect him at the airport. Ban Ki-moon was left alone and had to find his way to his hotel himself. Later he became concerned that this unannounced visit was not acknowledged by Xi Jinping and he was forced to wait for hours in his hotel awaiting his actual meeting. The visit took place but only for a few minutes. The doors were closing on him as well.

The Japanese mobilized their military for the first time since the second world war and very few knew this even happened, but Neil did. Their plan was to invade Indonesia and steal assets from all bunkers there that did not belong to them, nor were they any of their business.

The daughter of the Emperor of Japan was married to an Indonesian General and their

plan was to steal from the Global Account holdings in Indonesia and abscond with them to Japan. This never happened due to Neil's threats of exposure.

Ex- Japan's Prime Minister Shinzo Abe for his failure to deliver (because of Neil being in his face) has **RESIGNED**.

You will discover that the Banks have no warm spot in their hearts for Neil who has come after them more than once. He also exposed the attempt to smuggle gold out of South Korea by the Japanese.

Obama's attempt to use some of the money he illegally gave to Iran to purchase gold in the Bay of Bangkok only to be rebuked and exposed by Neil.

Enough said. You are getting the message which is that even when you do not hear from Neil or his team, they are doing the dirty work that no government was ever able to

do. It was they who kept things in order in Asia despite many malcontented individuals demanding bunker assets, gold, or anything else of value. Neil & Co. were always in the way.

Ask anyone who is close to Neil; whether it be in banking, the military, political circles etcetera – what a pain in the rear Neil has been for the Cabal and the answer to the question just might be that Neil has been a royal pain in the ass from day one for them.

They never should have stolen the Golden Dragon Family assets from him and he is not through with them yet.

Neil would deny being a royal pain but what he would say is he is “the planets best shit-stirrer.” They all wake up in the morning hoping that Keenan has not caught up with them overnight.

The end (or beginning, depending on how you look at it) is rushing on us and Neil is attempting to put his financial chest together to ‘open things up’ so the whole world may benefit due to Neil’s never dying efforts.

**Right now, he is looking for financially healthy individuals who can assist him in finally making this planet safe and sound for everyone (most especially Indonesia).**

**See Also: The Connection Between 9/11, JFK and the Global Collateral Accounts**

Connected to this you will see that Neil is on the attack once again. This time it’s the Malaysian banks and UBS – and he has them by their short hairs.

Who is going to get the Axe this time? The feeling is – many of them are going to bite the dust.

Remember Neil does not take prisoners...

THE WAR HAS BEGUN...

### Part Two

You have heard a little about Mr. Keenan in the first section and here and now what will be revealed is in relation to Neil Keenan's assaults on not only UBS (that will come later), but the Malaysian Banks.

The banks alluded to above have been involved in a huge financial fraud for many years now as they extend agreements without the knowledge or approval of the holder mandate of the financial notes who recently passed away. Even if he had not passed away, they would have signed the financial notes and extensions thereof.

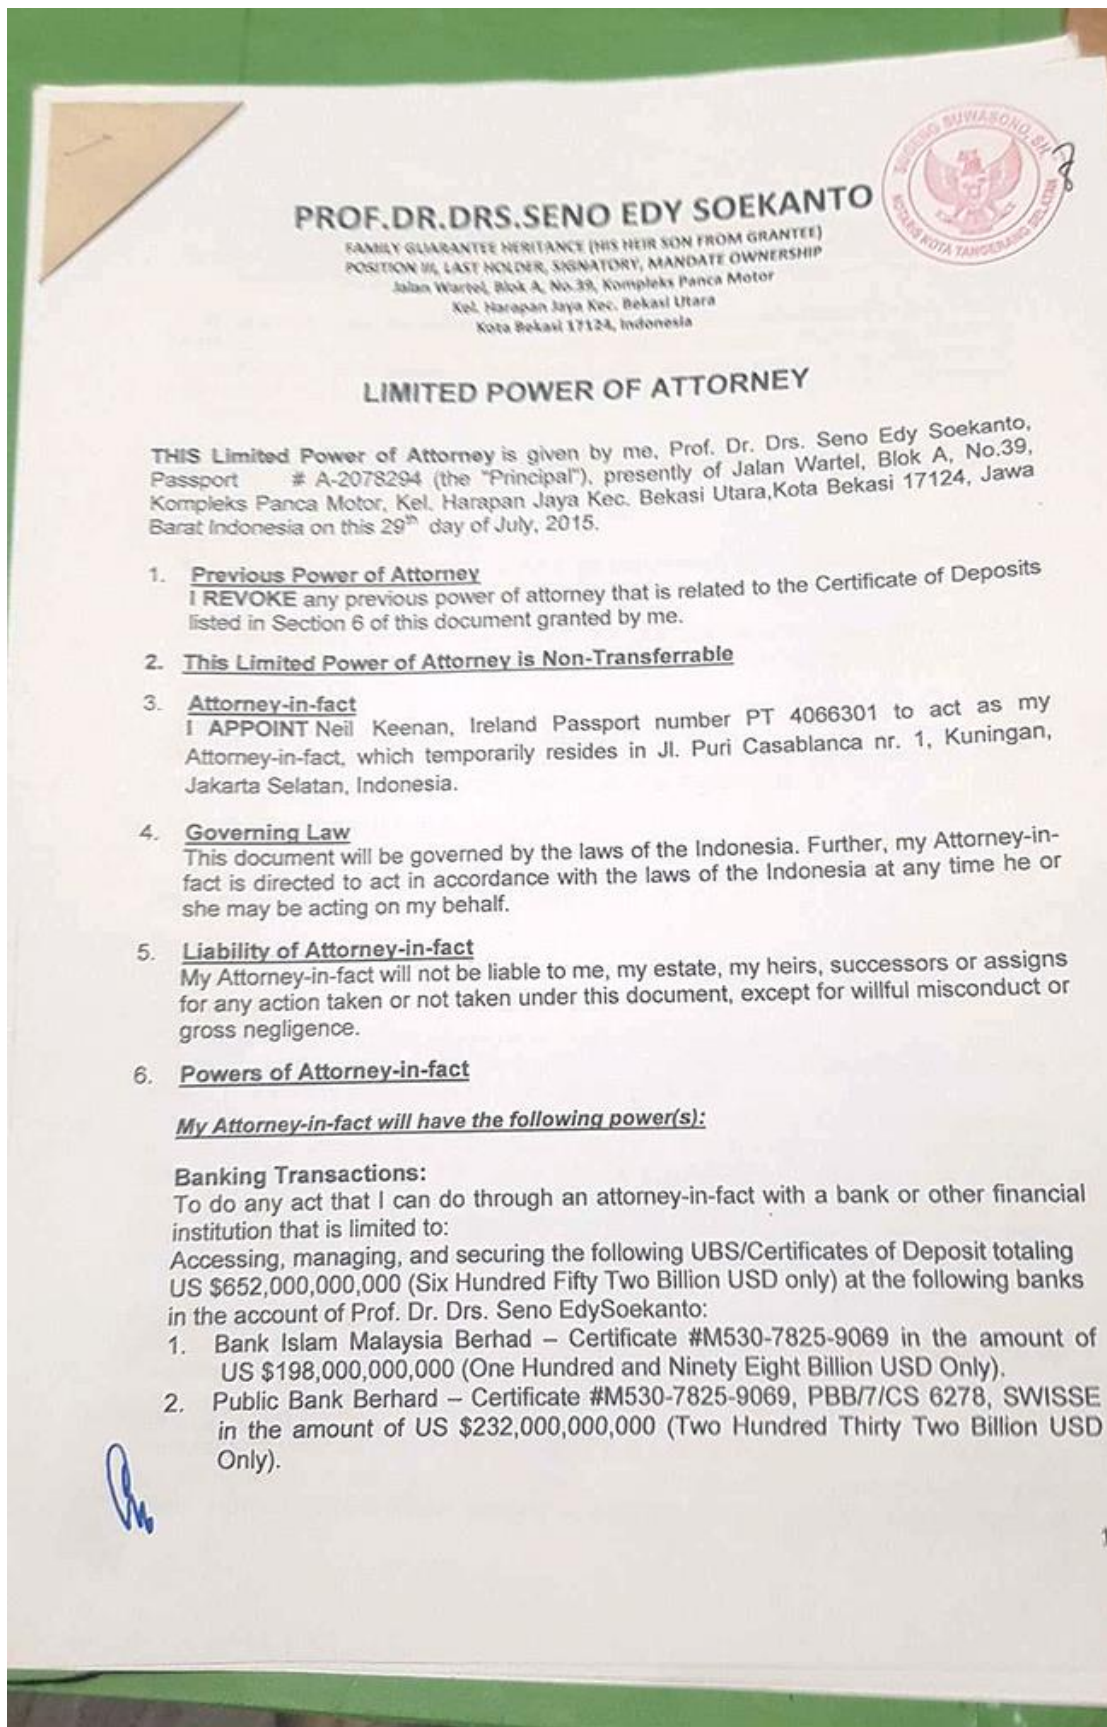

Now that I have shared my two cents, I shall now step back while Mr. Keenan ties some loose ends and gets the financing in place that he requires before anything 'opens up' so that we may enjoy all that is soon to come.

Neil and Donald = Quite a team. This will be a happening not to be missed.

The Fraud involved here surpasses 600 Billion USD, all of which is registered under the name Soekarno Trust and provided to them by Dr. Edy Seno, who has since passed away as mentioned earlier.

Dr. Seno waited years for this agreement to be activated and provide him and his family the comfort which they had come to expect upon signing the agreements with UBS and four Malaysian Banks in particular.

Note: This Power of Attorney document was enacted prior to Neil Keenan being elected the Amanah in Indonesia. Whilst the original POA has since expired, the agreement now falls under the auspices of the Amanah and to that end, the POA remains in effect without any expiry.

Below you will see the amounts received and further details without the endorsement of Mr. Seno. Since his death, Mr. Keenan has been elected by the Elders and the Sultan; as the Amanah in Indonesia and has most recently decided that the beginning of his altercations with the Cabal (or New World Order) will begin there.

UBS Bank, Switzerland, negotiated and arranged the following Off Ledger Collateral Account Deposits of **USD \$ 652,000,000,000.00** (USD SIX HUNDRED AND FIFTY TWO BILLION ONLY) (approximately **MR 2,600,000,000,000** (TWO TRILLION SIX HUNDRED BILLION MALAYSIAN RINGGIT)) which was made to 4 Malaysian banks from asset accounts belonging to the Soekarno Trust as Originally Approved By **Prof. Dr. Drs. Seno Edy Soekanto**, Trustee of the Soekarno Trust and with the Power of Attorney and Authority over this transaction held by the AMANAH, Mr. Neil Francis Keenan.

This transaction was covered under the following Deposit Certificates to four registered commercial banks in Malaysia as arranged by UBS BANK AG, Switzerland:

...

As you are aware Mr. Keenan will not take prisoners. Once the necessary documentation is filed, all cannons will be ready to be fired and there will be no looking back.

This could be termed “the shot that will be heard around the world”; similar to what his

Financial Tyranny lawsuit had been; but in this matter everything else that was exposed by the filing of the initial lawsuit will be brought to the forefront as well.

Said another way: The people of the world will soon be exposed to the entire show (not just fragments of it) and this will be an eye opener.

Doctors opened arms, legs, and other parts of the body, and after being properly tested, noticed that blood vessels and veins filled with clots that normally prevented blood flow, as well as reducing the flow of oxygen in the body, causing the patient to die.

According to the news of this study, the Ministry of Health of Russia changed the Covid-19 treatment protocol and gave aspirin to its positive patients - 100 mg and started giving the Empromak.

As a result, the patients began to recover and their health began to improve. Russia's Ministry of Health discharged and sent home more than 14,000 patients in one day.

## **MR. CLEAN'S RETURN AND MESSAGE**

## It's a Keenan Thing

March 31, 2021

Sultan has forgiven Eunice in stealing the Book of Maps and his attempt to steal from the Bunker with the work crew while blaming Nelu.

The Sultan is giving Eunice on last chance to guide Neil to open the Bunker.

Neil was told he had a target on him when he arrived in Indonesia...the Sultan's brother was a key suspect.

## **The Sultan of development?**

The current Sultan of Yogyakarta, Sri Sultan Hamengku Buwono (HB) X is the father of five daughters and no sons. The Sultanate has customarily been inherited through the male line. Following that tradition, it was widely assumed that at the end of the current Sultan's reign the Sultanate would pass to his half-brother. Since the position of Sultan is automatically granted the office of Governor of Yogyakarta Province, this would also mean the Sultan's half-brother would assume this position.

The privilege of government office without elections is unique to Yogyakarta. It is also a relatively new phenomenon. The current Sultan's father, Sri Sultan Hamengku Buwono (HB) IX, held the position of Governor of Yogyakarta from the period of Indonesian independence until the time of his death in 1988. However, he had not been entitled to the position by law. The linking of the Yogyakarta governorship to the position of Sultan as an inherited position became national law in 2012.

### *Gender equality?*

On 30 April 2015, Sultan HB X issued a royal proclamation indicating that the position of Sultan could be held by a female. The proclamation also altered the official titles of the Sultan. It removed the Islamic designation 'Khalifatullah' (Caliph), a title that can only be held by a male, and replaced the Javanese male designation 'Buwono' (loosely translated as 'universe') to the gender neutral 'Bawono'. On 5 May the Sultan issued another decree to change the name of his eldest daughter Gusti Kanjeng Ratu Pembayun (GKR), giving her a new title designating her as the crown princess.

Media coverage and commentary from outside Yogyakarta has widely described both the decree and the proclamation as wins for gender equality. Some have suggested that the dispensing of 'Khalifatullah' from the official title is a step that not only paves the way for a female Sultan, but also strengthens values of religious diversity within Yogyakarta, since it weakens the identification of the Sultanate with Islam.

Media commentary within Yogyakarta has centered on expert opinions that the changes are illegal under the terms of the 2012 Yogyakarta Special Region Law (Law No. 13/2012). The 2012 law, by linking the governorship to the Sultan, made the position of governor no longer subject to elections. The 2012 law mentions the position of *wife* of the Sultan, leading some to argue that this indicates unequivocally that the position of Sultan must be held by a male.

After 2012, Sultan HB X lobbied the provincial parliament unsuccessfully to remove the paragraph containing mention of the *wife* of the Sultan but the stipulation remains. The 2012 law also granted the vice governorship to the Pakualam, head of a small duchy called Kadipaten Pakualaman within Yogyakarta Province. Kadipaten Pakualaman was originally created by British colonial powers with land taken from the Sultanate of Yogyakarta as part of colonial Britain's divide and conquer approach to maintaining control over the local populace.

Among the Yogyakarta public, the proposed changes were met with suspicion. Banners popped up throughout Yogyakarta urging a return to the 'rules' of the Kraton. Suspicions were aired on social media and other casual commentary as to the motivations behind the changes. Anti-development sentiment has also grown, due to the Sultan's role in politics and control of land in the region.

### **Reclaiming land**

Yogyakarta has enjoyed a degree of autonomy and 'special' status since the colonial era. After independence, that 'special' status was entrenched in national law in recognition of the extraordinary role that both the then Sultan (HB IX) and then Pakualam (VII) played in supporting the independence movement. The Sultan and Pakualam retained ownership of land belonging to the Sultanate and Pakualaman, rather than it being taken over by the new state. Traditional 'royal' land remained in use by local communities and a great deal was used for public works projects in the manner of public land. These projects were perceived as benefiting the community at large, and ranged from using land for the establishment of a public university to engineering projects.

In 1984, Sri Sultan HB IX adopted the 1960 Basic Agrarian Law (BAL) in Yogyakarta, a move that saw the ownership of all remaining crown land or royal land (owned by the Sultan or Pakualam) being transferred to the Republic of Indonesia. Prior to this, Sri Sultan HB IX had embarked on a range of public works on crown land and the BAL had little effect on this practice.

The adoption of the 1960 BAL came after Sri Sultan HB IX's withdrawal from national politics in 1978, a move precipitated by then President Suharto's withdrawal of support. From that time until his death in 1988, Sri Sultan HB IX remained Governor of Yogyakarta. Tensions between HB IX and Suharto then transferred to the current Sultan, who was denied appointment as the governor of Yogyakarta until Suharto fell and the position was won by election in 1998.

The 2012 Yogyakarta Special Region Law, which linked the governorship to the Sultanate, was perceived as recognizing Yogyakarta's unique status as the cultural epicenter of Java. It received broad support from a vast majority of Yogyakartaans. This law came in the wake of mass protest against a proposition from then President Susilo Bambang Yudhoyono that would see regular democratic elections for the position of governor and vice governor of Yogyakarta. Rhetoric surrounding the debate took on a Jakarta versus Yogyakarta aspect.

A component of the law that received limited attention until now is the clause that cancelled the BAL and returned to the colonial era Sultan Grond (SG) and Pakualaman Grond (PAG). This meant that large tracts of land within Yogyakarta were reclassified

as crown land, owned by the Sultan or Pakualam. In the wake of the 2012 law an unprecedented mapping project was initiated, aimed at recording all land 'belonging' to the Sultan and Pakualam under SG and PAG. Locals who have had their land ownership paperwork amended as part of the mapping exercise began posting photographs of amendments on social media in the wake of the royal proclamation, linking the mapping initiative and the changes to succession.

In a pattern that began before 2012, various sites throughout Yogyakarta have been claimed by the Sultan and Pakualam under the legitimacy of SG and PAG and earmarked for large-scale commercial projects. Local communities who use these sites have been resisting eviction from land and controversy has plagued each project. The legal legitimacy of SG and PAG rests in the 2012 law, since prior to this the 1960 BAL (recognized in Yogyakarta in 1984) had voided the SG and PAG and meant the Sultan and Pakualam had no ownership rights.

### *The anti-development movement*

Resistance to land claims based on SG and PAG and the struggles against dispossession have been going on for several years in various parts of Yogyakarta. One such dispute in Kulon Progo district has seen farmers clash with authorities over an attempted dispossession to make way for an iron sand mining project in collaboration with an Australian mining company. The resistance has been fierce and spanned a number of years, becoming known as the 'bertani atau mati' (farm or die) movement – a play on the independence era slogan of 'merdeka atau mati' (independence or die).

While these farmers have gained positive attention outside Indonesia, within Yogyakarta media portrayals have depicted them as an opportunistic fringe group, until recently. In fact, many within Yogyakarta accepted the official narrative that such organized resistance was the work of preman (organized criminals) or thugs aiming to milk compensation money from the government. That opinion has changed over time, particularly after the recent royal decree and proclamation.

Yogyakarta has also seen a growing anti-development movement, focused on resistance to urban development. The Jogja Ora Didol movement (Javanese for 'Jogja is not for sale') has protested with street art resisting what is seen as unfettered and inequitable development. At the same time, spontaneous expressions of protest and resistance to the rampant building of hotels, apartment blocks and shopping malls has been on the increase in local neighborhoods.

Throughout Yogyakarta, banners expressing opposition to commercial development projects can be seen in virtually every area. Nonetheless, until now only a minority of activists have drawn attention to the nexus between rampant development and the Sultan and Pakualam's roles as political office holders, landowners and developers.

The royal decree appears to have been a trigger which has brought this previously taboo topic out into the open for discussion by the broader Yogyakarta public.

### *Suing the Sultan*

In an unprecedented move, residents of Kulon Progo facing eviction to make way for another development project, the grand scale international airport, launched legal action against the Sultan for his approval of this project. In this case, there is also uncertainty about land rights.

The BAL meant that use of the land by local people was protected, whereas reversion to PAG and SG means land rights within these areas are now uncertain. If the Kulon Progo project proceeds, the implication is that PAG and SG takes precedence.

The residents resisting the Kulon Progo airport project are being represented by a local legal aid organisation famed for advocating social justice. Public opinion on the airport project has shifted, and protesters who were viewed with suspicion just months ago are fast becoming a symbol for all Yogyakartans fed up with rampant development, an attitude sharpened since the royal decree and proclamation.

The Kulon Progo court case against the Sultan was successful, and a temporary stay on work has been granted. The court decision in favour of residents coincided with the removal of many banners advocating a return to the 'rules' of the Kraton. The Sultan has declared his intention to appeal the case and locals still live-in uncertainty.

Although the Sultan's half-brothers have protested the changes to succession, protest from within the royal family has mostly been muted, and it is difficult to imagine protest from those quarters uniting with communities resisting land possessions, given that many members of the Sultan's extended family have benefited from property development in Yogyakarta.

In the view of many locals, succession staying within the immediate family, rather than going to one of the Sultan's half-brothers as has traditionally been the case, has undermined one of the checks and balances on the power of the Sultanate. The Sultan has defended the changes to succession by saying that the impetus came in messages from God.

## Princess of Sultan HB X Called Her Uncle Two Sacked for Refusing to Work since 2015

**TEMPO.CO, Yogyakarta** – The second daughter of the King of the Yogyakarta Palace, Sri Sultan Hamengkubuwono X, Gusti Kanjeng Ratu (GKR) Condrokirono denied the dismissal of her two uncles who were also half-sisters of Sultan HB X from strategic positions in the Yogyakarta Palace without cause.

Two younger siblings of Sultan HB X, namely Gusti Bunjuk Pangeran Hario (GBPH) Prabukusumo and GBPH Yudhaningrat were reportedly fired by Sultan HB X from their respective positions as Penggedhe (head) Kawedanan Hageng Punakawan (KHP) Parwa Budaya and KHP Nitya Budaya Yogyakarta Palace.

“Both of them (Prabukusumo and Yudhaningrat) have stopped working since 2015, so they were eventually replaced by GKR Mangkubumi and GKR Bendana who previously served as representatives of both,” said GKR Condrokirono to *Tempo* Wednesday January 20, 2021.

GKR Mangkubumi and GKR Bendana themselves are the eldest and youngest daughters of Sultan HB X. Since the two younger siblings of Sultan HB X were inactive, Mangkubumi and Bendana have replaced all duties in the Palace as Punokawan Kawedanan Representatives.

Condrokirono, who is the protector of Kawedanan Hageng Panitrapura or the Head of the Yogyakarta Palace Secretariat, added that the two dismissed uncles refused to serve because they were still at odds over the Sabda Raja Sultan HB X in 2015.

“Yes, still because of the King’s Word,” said Condro.

However, Condro dismissed that after the Sabda Raja all princes became hostile to Sultan HB X like his two uncles. He confirmed that not all breeds or descendants of Sultan HB IX then left their duties at the Palace.

There were also a number of princes or sons of Sultan HB IX who continued to work with Sultan HB X in their fields until they died.

For example, Kanjeng Gusti Pangeran Hario (KGPH) Hadiwinoto who serves as the Kawedanan of Hageng Punokawan Parasrayabudaya and GBPH Condrodiningrat who are still active today.

“Including the late GBPH Cakraningrat (Tepas Danartopuro / finance department) and the late Gusti Murdokusumo (a board member of the Sri Yaga Wandawa foundation) also continued to be active in the Kraton during his lifetime,” said Condro.

Condro said, 2015 until now is not a short time when his uncle left the task because he had a disagreement about the King’s Word.

Activities at the Yogyakarta Palace which were managed by Sultan HB X’s younger siblings in the department must also continue. It cannot be left empty without a person in charge.

## Fired from the Palace, Yudhaningrat: To Smooth the Succession of Princess Sultan HB X

January 23, 2021 21:16 by Netral NewsDesk

**TEMPO.CO, Yogyakarta** – The half-brother of Sri Sultan Hamengku Buwono X, Gusti Bendana Pangeran Hario (GBPH) GBPH Yudhaningrat, considered his dismissal from the structural position of the Palace as a way to make the future successor of Sultan HB X even easier.

"Yes, the indication is (smoothing the way to the Palace succession)," said Yudhaningrat to Tempo on Saturday, January 23, 2021.

Sultan HB X has issued a letter on December 2, 2020 regarding the dismissal of his two half-brothers namely GBPH Prabukusumo and GBPH Yudhaningrat from the positions of Penggedhe Kawedanan Hageng Punakawan (KHP) Parwa Budaya and KHP Nitya Budaya.

Their dismissal from the structural positions of the Keraton automatically made them increasingly thrown outside the dynamic arena of the Islamic Mataram kingdom.

Read: Sultan HB X's half-brother says that the fate of the Yogyakarta Palace depends on the faith and fate.

They become increasingly blind and will not know any new information if there is internal development of the Palace, including issues of succession in the future. Prabukusumo and Yudhaningrat, since 2015 have been the most fervent opponents of the words of Raja Sultan HB X. "Indeed, it was only me and Mas Prabu (Prabukusumo) who were most seen to oppose the Word of the King, because the rest (sons and daughters of HB IX) did wedhi (fear)," said Yudha.

For both of them, the Sabda Raja broke the traditional tradition of the Keraton (paugeran) which had been tightly maintained from HB I to HB IX.

The Sabda Raja in May 2015 itself contained, among other things, the change of the title of king that had been practiced since the HB I-HB IX period, such as Buwono to Bawono.

The word also contains the determination of HB X's eldest daughter, Gusti Kanjeng Ratu (GKR) Pembayun as the crown princess with the title GKR Mangkubumi, a name that is very closely related to the name of the candidate for the king of the Palace. Before being ordained as the tenth king on March 7, 1989, HB X's adult name was Kanjeng Gusti Pangeran Hario (KGPH) Mangkubumi.

Yudhaningrat also said that because he was most vocal in opposing the words of Raja HB X, he was also appointed by other courti dalem to become the spokesperson for the resistance when a lawsuit arose against article 18 paragraph (1) letter m of the Special Law of Yogyakarta by a number of women activists at the Constitutional Court 2016 ago.

At that time, women activists from academia challenged the contents of article 18 letter m of the Privileges Law because they considered it discriminatory regarding women's rights in politics to become regional heads.

Article 18 states that the candidates for governor and deputy governor of DIY are citizens of the Republic of Indonesia who have met the requirements and submitted a curriculum vitae.

The curriculum vitae submitted must contain the history of education, occupation, siblings, wife and children.

**NEIL KEENAN UPDATE | Cease-And-Desist Order:**

**Peter Wagoner**

April 3, 2021

This Cease-and-Desist Order is made this third day of April 2021 and is issued by the Indonesian AMANAHA Neil Francis Keenan

Citizen of the Republic of Ireland.  
Residing in Yogyakarta Indonesia.

To Peter Brower Wagoner.

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

Chairman of BLUE OCEAN SENTRA SEJAHTERA LIMITED

A company registered in Hong Kong.

Citizen of the United States as a legally liable man.

This Cease-and-Desist Order is issued in response to Peter Brower Wagoner's illegal and fraudulent claim to be Indonesia's "Amanah." Indonesian Amanah is an internationally recognized financial position and authority currently held through unanimous election by Indonesian Elders and by the passage of a series of spiritual rituals, by ONLY myself, Neil Francis Keenan.

It has been brought to my attention that Mr. Wagoner has been claiming to be Indonesia's Amanah in attempts to secure financial gains from false financial transactions and scams on an international basis.

Mr. Wagoner's other fraudulent titles he presents to International Humanitarian Projects and Development officials via numerous means of communication and portfolio documents, as well as asserting his association with the International Association Organization (IGO) [Ignita Veritas United](#) (IVU) and the [Order of the Temple of Solomon](#) are documented as follows:

His Highness (H.H.) Prince Peter Wagoner. His Royal Highness represents the United Kingdoms of Banten Nusantara of the Ancient Archipelago Islands of Indonesia. 'Secretary of Royal Alliances' and as Monetary Two (M2) of the Sovereign Royal Portfolio, while His Royal Highness, King Bungsu Mudakir, is described as Monetary One (M1) of the Sovereign Royal Portfolio. Mr. Wagoner's ongoing contact with international humanitarian and development officials is exclusively dedicated to establishing cooperation with [Ignita Veritas United](#) (IVU) and with a managerial platform and system for the future humanitarian application of developmental funds.

**Order of the Temple of Solomon** Grand Chancellor, His Highness (H.H.) Prince of Nusantara. He was established as Prince of Nusantara (2013) by H.R.H. Crown Prince Bungsu Mudakir (from Indonesian Queen Kanjeng Umi Ratu Roro Kidul of Dakka Atlantea, and as son of President Soekarno by consort Machasi), confirmed by three blessing ceremonies with King Dato Abu Wahab and Queen Dewi Kwan Im of the Kingdom of Bantan Nusantara (ancient Archipelago Islands) of West Java (from ca. 14,000 B.C.) representing the Five Sacred Royal Houses of Southeast Asia (Medang Kamolan, Padjadjaran Poerwa, Mataram Binoeangeun, Dakka Atlantea, and Poerwa Tjasita).

This is a clear and present international fraud that defames both the Indonesian Government and the duly elected and real AMANAHE Neil Francis Keenan. I will thus be filing appropriate legal notices and seek to have Mr. Wagoner false claims reported to the proper Indonesian authorities and Immigration officials to place him on Persona Non Grata and No Fly Lists.

I will also be filing official complaints with international financial regulatory authorities and various intelligence agencies and Interpol concerning this fraudulent activity as a precursor to international legal actions for false impersonation, defamation and other illegal activities as may arise from further investigations. I have been officially informed that these agencies and authorities already have thick files on Mr. Wagoner and his financial scamming activities.

Mr. Wagoner, you are well aware of who I am as our relationship goes back to 2012. I exposed your persona deception and your nefarious financial operations at that time. Your recent Amanah and other deceitful identities clearly establishes your long-term attempt and intent to interfere with and defraud me, as well as fabricate false claims. This evidence can and will be used against you in International Courts of Law to your detriment should you not Cease-and-Desist immediately.

You've finally earned an official title. You will now be recognized as Horses Ass Two (HA 2).

#### **Unsettling Issues at the Global Settlements**

---

August 28, 2012

More details have come about the previous post (a re-blog actually) about [Neil Keenan's predicament](#), while handling the Global Settlements to its final desirable conclusion, in the person of Keith Scott, Peter Wagoner, et al.

From the Divine Cosmos site, Keith Scott's name and signature appeared in the previous Liens filed against the Cabal's Federal Reserve but not anymore in the soon to be refilled [lawsuit](#).

Keith Scott has been exposed as someone who, like the usual Cabalist, wants to dip his hands into the biggest pot in all of known history of this planet.

Keith Scott is said to use several aliases self-promoting his own public credentials. But no one is buying it now.

If he thinks Asians can be fooled this time around, he's just dreaming. And that dream will soon turn into a nightmare as the update from Drake below would suggest...

Subject: KO Round 6

August 27, 2012 Ref: Letter of Explanation

Dear Drake,

It is time we talk directly, as the work we are both doing is the most serious work of our generation. It is important that we do this work for the benefit of mankind, and not for our personal egos. I am requesting a conference call by Skype to sort things out in a proper way, because the disinformation and lies that Neil Keenan is reporting are going to be damaging to your credibility and mine if it continues unaddressed. If our credibility is tarnished, then our ability to be effective is greatly diminished and we simply do not have time to waste cleaning up these types of childish games

Dear Mr. Rockefeller I mean Wagoner; I understand Drake's serious work but what serious work are you talking about that you are involved in. You have a financial package, one that your Rockefeller Family did not finance for you, so you are looking for outside financing and going from one person to the next throughout Asia hoping to acquire some shekels from someone.

Your financial package is not superior to Benjamin Fulford's nor was it superior to Dr. Vandemeer's or any of the others out there. And in fact, if you are a Rockefeller then your family would do this for you. You said your mother is David Rockefeller's sister and I doubted you then and that you are a Lawyer which you told Benjamin and myself. I doubted you from the very beginning but spoke with you out of respect for Benjamin and look where you have ended up...Hahahah you are a thief Peter and you lose. You got caught!!!

I have firsthand knowledge of this case, as it is my mission here on Earth Your Mission is make everyone's pockets a bit lighter. Remember what you told me Peter. You would get the money and then come to me and arrange it so I would never need money in financing what I am doing. Do you think I believed you? While I do not know everything, you can be most assured that the Global accounts are real, as I have checked them thoroughly, I doubt you can get anywhere near them not being a Rockefeller and or Lawyer...

I have been on this case, so to speak, for over 20 years, and have traveled the world in search of the truth totally independent of Neil Keenan, Ben Fulford, or anyone else whose name you would recognize. You have travelled 20 years and it has led you to

Keith Scott through me. Hahahahah you are one sick puppy. All those real people out there and you want us to believe that your finding Scott is the answer. Hahahah. I have received my own contacts with the Royal Families and the Amanah. You did not bring yourself to the Amanah it was Abe that brought you there, the Trust which controls these assets and they do not control these assets. Not the people you met anyway and if so why do they go to the Elders for what they need. You are way off base Peter and it is good you are because it shows how little you know after 20 years. It is only in the past 2 months that I have been in contact with Ben Fulford, and thru him, with Neil Keenan.

At my first contact with Neil, I was intrigued with his approach, though I felt that his approach of "prodding the dragon", while bold and challenging, was not one that the Royal Family members that I knew would approve of. These assets are in the private, and it is not appropriate to use adversarial public legal action to bring them into the public. Nor did these royal family members approve his legal actions, or him thrusting public awareness of these assets into the limelight.

I care about the Dragon Family not the European Royalty nor do I believe for one second you know anyone there seeing the few I know never recognized your name. I found out that Neil had asked for an outrageous share of any proceeds from his legal actions on their behalf. Say what? Hahahah, we had an agreed upon figure and this has nothing to do with what is going on what is going on is that you would like to work with the people I brought to the table but little do you know that they carry lots of baggage and now you will carry it.

When they turned him down, suggesting a smaller amount, he appears to have gone rogue. I was never offered a smaller amount and the would-be buyer can confirm why this deal never happened and it is simple, Keith Scott lied and cheated and was more than dishonest and the buyers who were brought to the table by me were distraught by the conversations they held with Scott. He furthermore attempted to do another deal whereas he states "do not let Keenan know anything". They withdrew their support of his actions, and issued the Cease-and-Desist letters which you have received. At this point, I still have not ever met Neil, though I have spoken to him on the phone. You make this C & D sound so serious when in fact it is just a simple piece of paper constructed by Scott and signed by someone other than the Amanah.

Recently, I took a trip to Singapore to meet with some investors. I was surprised when one of the groups there introduced me as "The Rockefeller's Lawyer". When I asked why they called me that, I was told that that is how Neil referred to me. It is how you referred to yourself you should not have been surprised, Afterall Benjamin refers to you in his blog as the Rockefeller Attorney which is how you introduced yourself to him and to me. Your mother was his sister. Remember?

I have never been a lawyer Of course you haven't and you have never been a Rockefeller either. and I have never represented any Rockefeller in anything. I doubt

they would let you seeing you must be one of the illegitimate members of the clan. It is true that my aunt married a Rockefeller not aunt you said mother and that you saw your Uncle David once a year but did not like to. Oh, the webs we weave when we get desperate Peter. Did you really think you would just walk over there and take what I had produced? I say not, but I have never had contact with that family, even as a child.

I know Alex from Singapore If you knew Alex why did you have to call people I know to get together with him? He is a very straight forward honest business man. He was trying to help resolve a case for Dr. Seno. No, he is not helping to resolve a case he is trying to help Seno get the Family Heritance Guarantee which you also apparently know nothing about. Keenan met with him and earned his trust, and then conned him out of USD \$30,000 for expense money to make certain introductions that will never happen. I never conned him and never got a dime nor did I ask for one. Nor did I ever proffer introductions. This is wrong! Keenan has made a real name for himself conning people out of expense money Expense money? Yes, Alex flew Nelu and myself to Singapore but neither of us wanted to leave.

Alex was supposed to be in Jakarta upon my arrival according to Jack (another con) to complete a long withstanding agreement that went on for three months. I also understand you told Alex you wanted 100 thousand up front and he asked what about Keenan (if he really gave me 30 thousand why would he be so concerned with what happened to me) and you said "he is a fool and forget him" and here we are Peter right where you belong lying about your family name and business and everything else., claiming to have the skills to resolve this case or that case when, given the kind of person he actually is, this will never happen Sorry we did not have a case to resolve. My case is my case no one else's.

I am not in disagreement with the fact that expense funds are required for this kind of work, but one must have the skills and integrity and higher spiritual understanding of the true nature of this problem to have any hope for success. Without the ability to understand how to connect the dots, one will never succeed Then you should go home because you are missing many dots and buttons from what I can see. For this reason and the fact, I have been declared winner by KO in 6 rounds I have no reason in answering the rest of your inaccurate silly nonsensical letter that are based mostly upon your assumptions when in fact I am loaded up with TNT. When you come to fight Peter, you come with weapons and you came with a POP GUN. I will be kind enough to answer many of the issues below without printing in Blue and will provide documentary evidence substantiating the real and accurate position.

Drake,

Upon reading Wagoner's letter, I must conclude that he has no damned idea what he is talking about. None whatsoever.! As many know for example Alex Le Ling Soon was not there upon my arrival and I waited 2 weeks before hearing from him. The delays

were acceptable seeing his family member had passed away. After this he wanted to fly us to Singapore to conclude the deal. While their money was never mentioned and I have his proposal still in my possession. Two weeks after returning to Indonesia Jack brought the fact that Alex wanted to meet with Rothschild and that was never part of our agreement so I said NO. Then again come to think of it Wagoner, I introduced Alex indirectly to a Make Believe Rockefeller isn't that close enough?

Also, you never got a dime. Did you connect your dots?

[23.8.2012 r. 04:41:25] Nelu: Last night Mr. Nelu already explained to Neil that he did to Singapore to bring documents to verify the truth of DR Seno document before Mr. Alex Soon as sponsors and to show that what has been done Mr. Neil is the true and only Mr. Neil that can do it all.

Nelu went to Singapore with Jack rather than Peter Wagoner and not to leave Mr. Neil. Proven proposal given by Peter Wagoner rejected by Nelu and Alex Soon.

Until now Nelu still hear and do all the suggestions and commands

[23.8.2012 r. 05:02:49] Nelu: Because until this moment Alex Soon also did not provide the funds to make the deed in the Notary Foundation Nelu then assume all been dead ends.

Seems that you have your facts mistaken. They shut you down. Refused your offer for your inept financial package. Let me tell you something Wagoner, I have seen 50 financial packages none better than Dr. Vandemeer's and Benjamins. All with Free Energy and the one with the European Free Energy is considered by the Russians and Chinese by far the best. So why would people waste their money on your package. Tell me? You are even behind in this regard. Far behind. 20 years of what did you say?

We can go on all night about your inability to find accuracy in statements and you are the fool for accepting all you do but then again you contribute greatly to your own demise. Your reputation should take a HIT for this and I PRAY it does: Mr. Wagoner claimed that I called someone a liar, thief, and diddler which I meant to keep out of the News seeing it is a horrible thing to be called and then again to be one. He also says Dr. Vandemeer was interested in becoming part of THEIR GROUP. Well, here is what the good Doc god bless his soul had to say when speaking to me. Little does Wagoner know that Dr. V did not speak to Scott for 12 or 13 years and the reasons why:

[03.8.2012 r. 19:52:40] Dr Michael Vandemeer:

i am man of honor, i even honored keith scott by not informing you of his true history, unless i discussed with him and warned him of his messing with poor young girls, but i wanted to infom him, over the phone or skype,

Or how about his interest in your group? You say he was interested!

[09.8.2012 r. 18:47:45] Dr Michael V andemeer: mr keenan, it is my life my reputation, and my analysis of that which i have gleaned from the world situation, i have never been wrong in my predictions, when you met keith and sang his songs of how brilliant he is etc, much could have been brought to grinding halt yes he did not want to call me, you had to make discovery about him and many other persons yourself, it costs money and time plus reputations. i informed you when keith tried to draw me into his conversation on sexual child exploits in cambodia, i dropped him because of this and he had cost me much money and time with the year in and out that the monies for the projects was around the corner, year in and out, i will sort the wagoner and dr eckland matter out, myself and friends called me today to tell me they are not who they claim to be. when are you going learn there are other persons on earth, that think do and and have their own deep experiences around the world. i play matters very close to the chest, as i have no avarice and greed or ulterior motives, before the egg there was a chicken created. it is not whether it is salle, ferguson, keith etc, child abuse is repugnant, i look upon it in the same terms as murder, it robs the soul, i have a difficult patient at the moment that comes from leading family in napa, and the destructive forces it created in her life, her health, but she is making great head way

Did Dr. V. state that Wagoner is not from the Rockefellers as stated above? And did Dr. V as he has told me many times stop communicating with Scott (for the first time I hear why) because he is a diddler. I left Scott because he is a thief and attempts to use your connections without your knowledge. Here are more statements countering Wagoner/Rockefeller's self-serving statements: Who lied to who?

[28.7.2012 r. 01:02:09] Dr Michael Vandemeer: i have just been waiting for him (Scott) to make his move as well, i have warned you enough about him, yes some one from saint germaine contacted me last week about you, asking questions, about the trust etc. your disagreements with scott must stay under cover please, the statement i have written has essence, do be circumspect, he has had access to much inside workings and personal !!!

[28.7.2012 r. 01:03:30] Dr Michael V andemeer: no unravelling please the opposition loves dissention, and wedges,

Chris to Keith. As you can see the problems are mentioned and Scott was told he had to make peace to stay involved. Scott was the delivery boy for this deal but he wanted much more. Much much more.

[29.7.2012 r. 13:27:39] chris: [11:00:52] chris: ok be careful with the bank you are talking about i have dealt with them as for neal i dont know i dont think he knows who he is dealing with i run the federal service in europe ask alessandro he will tell you i meet with the ibs next week to resolve indonesia problem me and my team dont play we will do this at government level i was asked to talk to neil so this could be resolved and it will be i suggest if you are part of his team make peace regards chris

This is when Chris saying goodbye to Keith ...Keith had asked him to do deals behind my back but Chris is very honorable and did not like the deceit involved in the way Keith tried to do things. So he said Ciao keith do not let the door hit you in the backside on the way out. Below.

Chris:

[09.8.2012 r. 13:14:46] chris: [11:14:32] chris: keith i dont want to know about all the shit that goes on with you and neil i have no intrest i only get concerened when people i introduce start doing stuff i dont care about the money i just like honesty but i run a very powerful foundation and they will not put up with this so best of luck  
Or how about my not having connections and so forth and again the good doctor who listened in too many of my calls:

Dr Michael Vandemeer:

WITH THE PRIVATE BANKERS THIS IS AND OTHERS GERRY MANDERING THE DERIVATIVE ACCOUNTS WITH OBAMA, TO SAVE THE ECONONY OF THE WORLD WITH CRIMINAL INSTRUMENTS CREATE IN YEAR 2002 WITH BUSH SENIOR AND GREEN SPAN AND THE HENCHMAN OF ALL TIMES FOR THAT PERIOD CLINTON, THIS IS THE DEATH NELL FOR THE WORLD, I WILL SEND YOU TWO REPORTS, READ THAM, THIS IS WHY YOU RECEIVED THOSE CALLS TWO SATURDAYS AGO, FROMJUDGE WHITMORE,BUSH JR, FRANK CALUCHI,JAMES BAKER CARLULE GROUP, ) I.R.S. CARBARTATE JEB BUSH, BOLTON, JOEY ACKERMAN MATERS ARE MOVING FAST FOR THE MELT DOWN AND TRYING SETTLE DEBT WITH SONETHING FAR GREATER THAN DEBT, GREECE MUST FALL TO CREATE THE DOMIO AFFECT FOR THE SAFETY OF THE WORLD, THERE IS NO WORDS TO EXPRESS THE CRAFTINESS OF THE KHSARIAN DEVILISH MIND !!!

Finally Keith knew that Abranham Stanbouli never should have walked into the Singapore Monetary Authority and as mentioned above, Chris stated that the deal was government to government. Keith also received this information from his friend that contacted PM of Singapore :

“Neil..Keith has told me about these old Singapore currency when I was there, and Could I do something about it. I have my friend who knows Sing. PM, he has approach the PM with these notes..the reply to my friend that they know about it a long time..these notes are issue during the Soekarno time..it can only redeem through Govt. and Govt.  
not outside the bank..he warn my friend don't get caught holding these notes they get arrested,  
So two groups told Keith not including myself not to let Abe go into the Singaporean Central Bank but Keith while I was there was stating there is no way anyone can get arrested and he even tried to get someone to go into the Hong Kong Central Bank with no takers. Abe Stanbouli is in jail now do not believe Wagoner and if this is a game then he is playing it with all Abe's friends and family. This is from last night and by the way Wagoner is trying to protect his credibility but after this I am afraid he will have to look real hard to find it:

Here is the conversation of the 26th one that Wagoner did not know about: Keith and a friend of ABE'S.

[26.8.2012 r. 15:07:54] S: [14:00:01] S: Hi Keith, how are you?

Any progress? Is Abe already out, can you give me an update?

[14:01:36] Keith Scott: Hi S. Not much to tell at the moment as we cannot get information but Peter called me and told me it is 15 years for attempting to pass counterfeit currency

[14:01:55] Keith Scott: This is not just a smack on the wrist thing

[14:02:01] S: What? Is Abe facing that?

[14:02:10] S: Is there anything we can do?

[14:02:40] Keith Scott: That is what Peter has been told. I did not want Abe to go, but he was determined

[14:03:02] Keith Scott: I think he needed to get some money back

[14:03:15] Keith Scott: and felt this was the best way to do it

[14:03:18] S: Yes, I'm afraid so.

[14:03:36] Keith Scott: I don't think there is much anyone can do.

[14:03:57] S: Ok, mate. Sorry to hear.

When will we know for sure?

[14:04:14] Keith Scott: I am totally screwed. Trying to get my brother to cover the costs of getting me and Shahany out

[14:04:31] S: Yes, important to get out of there ASAP

[14:05:00] Keith Scott: I think we might have some indication of what is going to happen on Monday afternoon or maybe Tuesday.

[14:05:59] Keith Scott: Peter has been talking to some people there who have a lot of clout and has explained everything to them and he has managed to get some sympathy there, but how that translates into help is yet to be seen

[14:06:20] S: Ok, let's hope for the best.

[14:06:32] Keith Scott: hopefully I will be out of Indonesia by maybe Tuesday (fleeing the country....)

[14:06:48] S: yes. OK, thx mate.

Take care

[14:06:55] Keith Scott: Cheers

What more needs to be said about Peter Wagoner's honesty. He sat right in with this group and started lying from the beginning and he fit. Let's just call it right. Wagoner is not important. He lied about being a Rockefeller to both Benjamin and myself. His mother is not David Rockefellers sister. He is not a Lawyer again a Lie so what is he? He is no more than an individual desperate to sell his Financial Package and he hoped and prayed Alen Le Ling Soon would purchase it or finance it for him or that he could get his hands on the Global Accounts but this is never going to happen. Not for someone like this. Alex is not a stupid man and he never gave me 30 thousand dollars. This was not meant to be seen but my friend Drake would never keep anything from me unless it was to protect me. I am thankful the WORLD has had the opportunity to see this newbie called Peter Wagoner and what he is all about.

Dr. V wanted nothing to do with him and had heard he is not what he claimed and of course the children entered into this and Keith not only has Dr, V making such statements but the Fed have a pretty big file on him as well. Chris made it clear with his chastisement on honesty to Keith and his saying goodbye and so much more. It all is pretty clear and is overkill but I have much more I never produced. I am sorry people have to see this but it had to happen sooner or later. They were trying to get rid of me and I am not that easy to get rid of: I BITE. Wagoner you told Alex Soon that I am a fool but guess what? It seems that you are the Liar and Fool here. You should not play with the big boys when you are only big in size. Lights are on but no one is home. Now go play with your diddler and shut up!!!!

>>>Due Diligence Alert<<<

Hang Em High

A few days ago I received an email with attachments from Keith Scott basically complaining about Neil Keenan and hoping to get some recruits for his team. This letter was about Keenan being dismissed from the Soekarno Trust and the Amanah refusing Keenan's presence. It talked about the Liens, Abe Stanbouli's supposed arrest, and the fact that Keenan lied when he said that Stanbouli was detained in Singapore. I read that Keenan is a big liar referring to Alex Le Ling Soon's case, and finally he tried scaring me by saying that Keenan's case is no good without him and his group.

Soon after this I received a call from Wagoner, Scott and Winston Shrout, all complaining about Keenan. Wagoner told me Keenan was ruining his reputation and was cursing about it. Scott voiced the same opinion as Wagoner, stating Keenan was nothing and causing problems. Although Winston agreed, he expressed his objections much better and held a civil tongue.

I did my due diligence as Scott suggested. I advised him that the Soekarno Trust Mandate had expired in 1998. The Amanah has to be accepted by the BIS, World Bank, Government of Indonesia, UBS, and many International Agencies.

That they would have licenses from all the above if they are the Amanah.

We know who the Amenah is and he has nothing to do with Scott.

I asked for these documents during the call and have not heard from Scott's team since.

So, if there is no Soekarno Trust Mandate and Scott's Amanah is not the rightful Amenah, then this means Scott and his group have nothing but falsely filed claims in the US District Court. Keenan already withdrew from those liens seeing as he knew about all this. So this leaves Winston and Scott holding fraudulently filed liens.

I would think Shrout would know better.

Then there is Abe. It was Wagoner who emailed Martha Wibawa saying Abe might be in jail because Abe never came out of the Singapore Central Bank. Scott was speaking to an attorney named Stanley Hoop who said Abe was in jail facing 15 years.

They were playing a game but Keenan considered Abe a friend and was trying to find a way to help him. They claim Keenan lied by mentioning Abes name yet Keenan neversays anything bad about Abe. Keenan was worried about a friend at the time but no longer considers him one.

Now we have Singapore and Alex Le Ling Soon. Wagoner told Keenan he knew Alex before he did, if so, why did Wagoner need Keenan's people to help? Alex Soon did not want to see Wagoner. In a call one of the principles said that they had to plea for Alex to see Wagoner. Wagoner made his presentation and Alex told him he did not like it and it was old. He asked Wagoner what he thought about Neil, and Wagoner called Keenan a fool. Soon said hard headed but not foolish, Neil's package was more creative and the only one so far that had a chance to help Edy Seno. Wagoner then asked for 100,000 to do his financial package and was denied. There was no mention of

Alex Soon giving Keenan \$35,000 or any amount. Wagoner did not have funds to leave Singapore so Alex bought him a ticket to Hong Cong. Wagoner's version of events is inaccurate and the attempt in Singapore was to remove Keenan from the picture, which was promoted by Scott and Wagoner. Wagoner and Scott say Stanley worked with them as the third party in this.

This leaves the C & D (cease and desist) issued by Edy Seno to Neil Keenan. Seno, the head of the Soekarno Trust, was in the hospital and no one could see him. Wagoner called Soon's right hand man Chee who is very close to someone Wagoner knows asking for Jack's (Indian) number, calls Jack and tells him that he had spoken to Nelu, and got the number from Nelu. Wagoner tells Jack that Neil Keenan can't help anymore so they need to get Keenan off the C & D immediately. Peter Wagoner had not spoken to Nelu, Nelu did not approve anything, and Jack and Wagoner went to the hospital together and got Seno to sign the C & D. To this day Seno is confused as to what happened. Peter Wagoner, Keith Scott, and Abe thought they had won when they got the C & D but underestimated Neil Keenan. I was told to do my due diligence, I am doing that and then some.

I spoke with the president of a large organization who willingly discussed the Keith Scott situation with me, telling me that while Keenan was trying to complete a deal, Keith was trying to do a secondary deal behind Keenan's back. Keenan knew he was doing this, warned the principle, and sure enough Scott's people screwed that deal up as well. That was an O.I.T.C. guy named Ron Ferguson, and I heard that Scott and Ferguson have no idea how to handle a transaction. At the same time Keenan had to return home and Scott took over the Singaporean Dollar deal, immediately going after Keenan's position in this. He tried hard to move Keenan out but the BIS closed Scott, Abe and their Amanah down.

They tried working things out without the foundation/organizations approval and were shut down. As Scott said, they had nothing.

The same foundation did a complete background check on Scott using the federal system, finding what has been said to be true. The foundation is disgusted with Scott, what he has done with children and never wants to hear from him again.

This was a systematic effort to remove Keenan from everything. Wagoner is a broker, not a Rockefeller, his mom is not Rockefeller's sister, and he is not a lawyer, just a wannabe.

He screamed and shouted about how Keenan was treating him. Scott thought he had a fantastic plan to rid himself of Keenan, putting himself in charge, and he ended up with nothing but failure.

Keith Scott is the liar, as the saying goes between Wagoner and Scott, 'one lies and the other swears to it'. What they failed to realize is that Keenan baited the trap and they bit, that Keenan was always a couple of steps ahead of them. This is about the legal money they tied up in Indonesia, the money that was to be used to finance the lawsuit.

One final note, Keith Benedict and Terrance Wayne from London, working with Tonni from Indonesia ( all Pakistani), are involved in this scam and are all informants. Apparently they are working for the Cabal.

I hope this clears the air and explains the things few others know about.

One of the significant sources of funds for the Cabal is the healthcare industry which registered a whopping \$2.7 trillion in 2011, and is projected to soar to \$3.6 trillion in 2016, in the US alone. We believe that this is just a conservative figure. You can join the fight against the Dark Cabal and accelerate its demise just by boycotting Big Pharma. You can effectively do this by downloading “Towards Healthcare Emancipation”, a fully illustrated do-it-yourself instructional eBook that will help you in implementing all eClinik methods that would negate the use of expensive medicine, avoid radioactive diagnostics and treatments in completely defeating cancer, AIDS and all other parasitic diseases. These methods, when faithfully followed, work 100% all the time. Find out more about this [here](#).

You can actually participate in the global efforts to cripple the Deep State organized criminal cabal's ability for genocide, while enjoying healthcare freedom at the same time, by [boycotting Big Pharma](#) for good.

Keenan Uturn-drama series: Drake BS on C&D Order to Keenan 1 month before it was issued

### Keenan Uturn-drama series: Drake BS on C&D Order to Keenan 1 month before it was issued

updated 04 Sept 2014.

As you can see, making up the script & plot in the Keenan Hoax production "the never-ending U-Turns drama series of The Global Collateral Accounts" in real time is never a good idea. Too many twists and turns. Even the most seasoned crisis actors aka liars get into some difficult knots sometimes. In this episode of "Hang Em High" by Drake posted on Sept 6, 2012 he spoke of the Cease & Desist (C&D) issued by Dr. Edy Seno aka Dr. Seno Edy Soekanto of the Soekarno Trust (Drake's version) aka Soekarno Family Heritage aka Soekarno Papers aka Amanah Assets.

**A major blooper as the C&D issued to Keenan was dated 7 Oct 2012.** Drake jumped the gun in dismissing this particular C&D **on 6 Sept 2012, almost 1 month earlier.** Remember Drake specifically mentioned the C&D was issued to Neil Keenan and no one could see him

(Dr Seno) as he was in the hospital after issuing the C&D.

How could have Drake known 1 month before hand, such remarkable details, including the hospital-MIA part? Very Strange Indeed! Maybe Drake does have special predictive powers and "forward-vision" after all. Or maybe, just maybe, he had a sneak preview of the scripts and went on air a month too early. Whatever it is, it is hard to back up now.

In trying to create a sensational cliff-hanger episode to explain away why Keenan had to withdraw his lawsuit filed on 23 Nov 2011, they got their "knickers" all botched up.

Stay tuned as we compile more inconsistencies and outright bloopers, as the "stomach turns".

### **Soekanto to Keenan: Cease-and-Desist**

**TUESDAY, 27 NOVEMBER 2012**

*I was sent copies of this document by someone who wishes to remain anonymous. I immediately ran them up the tree for verification and have been told by high up sources that the seal/stamps and notary are legitimate.*

*Several months ago I was informed that Neil Keenan is not in any way associated with the Global Accounts and Dr. Seno Edy Soekanto as he has led people to believe. This information came from very high up sources. Since then I have been given verification of this from several other sources. I left the information alone and did not bring it forward until today. After reading this document I have realized that it's important for people to know this information so that they understand that not all is what it's portrayed to be and that there is a lot going on that very shady to say the least. As I have said many times before: Many whom you think are good, are not good. Here is a copy of the document, so that you can see it in it's entirety. I will post a second copy below that is a close up of the print so that it is more easily readable.*

*Edited Nov 28 9:03am edt: Enerchi of Ascension with Earth has done an excellent job of putting the documents into a pdf - if you are having trouble reading the documents here I recommend going over [HERE](#)*

### **NEIL KEENAN UPDATE: THIS IS IT....MAKE NO MISTAKE ABOUT IT**

April 15, 2021

This preface relates to one man's epic twelve-and-half-year battle against the Cabal. During relentless skirmishes, he has learned how they operate, who they are, what they're planning and why they're doing it—while patiently observing, pursuing legal cases, kicking their asses and tactically outsmarting them.

### **20210414 NK Update**

**Now, at this critical precipice, it's time...Amanah Neil Keenan is declaring WAR!!!**

These low-life scums are often referred to as the Cabal or called the Illuminati, 1%, Royals and Elite. For eons, the Khazarian-Cabal cunningly executed their plans to intentionally enslave and extinguish the population, whilst deceptively and nefariously

controlling every aspect of societies lives and livelihoods, as well as destroying our planet while under their purview for hundreds to thousands of years.

Their self-proclaimed dominion in preying over the masses justifies their thievery, chicanery and devastating obliteration— all in violation of mankind's sacred oaths to reverently live on this planet.

This perverse set of self-justifications by the 1% is an Orwellian ploy to create a dystopian view of humanity. The Cabal's powerful domination of the 99% rationalizes their right to cause mental-physical-spiritual harm and to selectively slay humans in order to cull the planet's population and thereby empowering elites by genetically inbreeding their kind. They do not create solutions to help humanity – they innovate bio-weapons in combination with weapons of mass destruction of every imaginable type to evoke fear-based submission and to perish from engineered pandemics and pharma vaccines:

- Coronavirus
- Sars
- H1N1
- Aids
- Ebola

Not enough depopulation evidence for you? Well, there's always the perpetual wars...

- Iraq
- Afghanistan
- WW1
- WW2
- Korean War
- Mogadishu
- Serbian War

The 1% was not just satisfied in creating these weaponized wars and countless other conflicts to impose their immoral will (not share their values) – they let YOU have the privilege of financing them, so they could profit from the altered landscape. Now, imagine being taxed to fund multi-trillion stimulus packages mandated and regulated by the Federal and State Governments to receive an experimental vaccine for a virus that hasn't been identified by laboratories and has a 99.97% survival rate.

As they've done in past virus-induced wars, the Cabal have deployed and mandated Big Pharma vaccines to bio-engineer our DNA, implant RFID chips, certify driver licenses and passports and ultimately exterminate humanity as we find ourselves struggling to survive and fighting for our lives.

The Cabal's problem-solution-recycle tactic— create a virus, release other compromising agents into the environment then weaponize remotely with 5G towers, cell phones, and satellites, as well as bio-weapon vaccinate, bio-contaminate our GMO agriculture and water supplies. This global, mass combo-means of destruction will do more in one pass than all the engineered attempts and scripted events listed above.

### **All to create a NEW WORLD ORDER**

Nevertheless, the Cabal cannot survive without control. To them, it's easier to steal, cheat, exploit and murder than to create, foster and care. They release virus, bacteria, chemicals, metals into the air, to evoke yet another continuous wave of fear - to not only get our attention but to weaken us. As social societies, the mandated experimental vaccines, mask regulation, quarantines, lockdowns and economic hardships depletes our physical strength and mental stamina, as well violates our sovereign right. Children have been deprived of their education with devastating social distancing, unhealthy masking and PCR testing experiences—even though there isn't significant scientific evidence of youth being Coronavirus carriers. What scientific justification is there to mask and vaccinate children when they're known have natural immune systems? Since Egyptian times, it's been proven that wearing masks compromises one's immune system and generates the spread of diseases, as well cause a loss of individual and social identity.

Do you recall 20 years ago, the fear-based Bush Administration 'Weapons of Mass Destruction' psyop and its idiot expert minions informing USA citizens to prevent exposure to WMD—all you needed to do was create vapor barriers in your home with plastic and duct tape?

Here's a simple common-sense test: Make sure you're wearing your mask and fart. If you can smell it, the mask doesn't work and you don't have Kung Flu. Go back 60 years to duck and cover as the only way to survive a nuclear war...

What more needs to be said?

Ask yourself what cretins are responsible for this and these things and compare it to the current roster to create the usual suspects:

- Bill & Melinda Gates
- Queen Elizabeth
- QinetiQ and Pirbright Institute
- CIA / MI6
- Dr Fauci and Dr Birx
- Tama-lama Dingdong (in Canada)
- Pharmaceutical Companies owned by the Rockefeller
- EVERY US President (before and since Trump, and Kennedy)

- Every Royal family in Europe
- Vatican
- Bilderberg, Rothschild, Rockefeller
- No Goods—WHO, IMF, World Bank, BIS, World Economic Forum, United Nations

The Cabal's controlled dominion over the masses proclaims the world as their country club or rather their exclusive domain. Their 1% plan of patented viruses and perpetual vaccines mixed with other environmental and agricultural bio-engineered agents is to ultimately transform and trace your unique human DNA. Part of their overall plan is to: 1) Bio-engineer Transhuman generations 2) Trace AI dominated Androids 3) Harvest and sterilize humanity and 4) Depopulate humanity. The Cabal is at War with the 99% of humanity. Are you getting this yet?

Well, Neil Keenan and his Group K team, comprised of very competent experts in their fields, have a notably different War proclamation against the morbid Cabal. Only one man and one group have literally fought this Cabal every step of the way.

By the 1% implementing their ultimate Bio-WMD War on humanity plan, they don't want the 99% to exist on their self-proclaimed planet. Amanah Neil Keenan is declaring War against the Cabal to protect the 99% people and our precious planet by removing the 1% from their controlling positions and empowered ability to harm humanity and the planet any more.

Neil has his own Amanah Art of War counter plan against the Cabal and he strategically knows how to ultimately WIN. Keenan's initial covert tactics have been implemented with significant results and dramatic effects. The Cabal have had the advantage of time, for over 100 years throughout the world. YOU have been paying / financing their activities and plans.

They're stealing, controlling and literally killing you – and YOU financed it. To whom does that make sense? It doesn't make sense to Neil and his Group K team. The question is simple: Are you going to keep standing by and financing the Cabal or are you going to hold them accountable, take civil and legal action and do something to end the Cabal?

Just standing by makes you are complicit with the Cabal's crimes against humanity Those crafty elites disguised by their Humanitarian and planetary Agendas as they destroy you and your family lives, pillage every economic sector and purposely pollute the planet...and repeating this cycle until their 1% are the ONLY ones left on the planet.

We are at the end and now and we must move forward like good old Soldiers and return the favors to those that wish us dead. The Cabal are right about only one thing – the

world will change. Challenge accepted. Neil Keenan has been battling and conquering the Cabal for over twelve years...enough is enough!

You hear that you sickos? Your time has ended, and you have been served by Amanah Neil Keenan. We are coming after you to take back what you took from all humanity. It will not go so well for you. Humanity is pissed. We're Declaring War against the Cabal.

Not specific enough?

The scum Daniel Dal Bosco, an Italian citizen, financial advisor to the Vatican and P2 Lodge, stole \$135.5 Billion in Federal Reserve Notes from Amanah Neil Keenan eleven years along with his con-cohort, Giancarlo Bruno of the World Economic Forum. In the pursuit of his stolen assets, Neil discovered the two thieves hard at work not only in the filthy bowels of the Vatican, but within the corrupt Italian Government.

They co-conspired with others to buy-off Neil by offering him 500 Million USD take it or leave it bribe. Neil refused and filed his infamous Trillion Dollar lawsuit. This lawsuit exposing the theft became known as Financial Tyranny was publicized worldwide. Neil Keenan kept his eyes on things by traveling throughout the world while keeping a bead on Dal Bosco and the World Economic Forum. As a result of his renowned lawsuit, Evelyn Rothschild raised the initial \$500 million offer to \$15 Trillion as an ultimatum bribe to disappear, which Keenan adamantly refused and declared his Cabal vendetta.

The Defendant's in the Trillion Dollar Lawsuit are featured as Cabal antagonists in Keenan's infamous Amanah's Odyssey. As the protagonist, Keenan's Call to Adventure and Supreme Ordeal journey led him to opening Pandora's Box—exposing to the world as to how the very same Cabal organizations and individuals were planning on depopulating humanity and destroying the world.

It's now twelve years later and after the loss of Millions of Dollars, either stolen or frozen, in combination with illegal seizures of his properties and a dozen assassination attempts, Neil finds himself where he began... within the belly of the beast, but he's still standing as the 'elected' Amanah and continues to connive and outsmart his nemesis.

As Amanah, the then and now key differences are: a worldwide-wheelhouse battle plan, financial and legal leverage, protected and empowered by Soekarno's Transfer of Power and Magic Scepters, equipped with powerful spiritual quivers and know-how of the Cabal's mirroring-pirating ways and their filthy corrupt crevices.

One and all, you're on official notice that Amanah Keenan may need your help in this surmountable Cabal battle so be the 'minutemen' of today and prepare to be called upon in the very near future. THIS IS IT!!!

### 20210712 NK Update

Greetings. You may (or may not) know me. My name is Kevin, and I am trying to write a preface regarding the video of Neil Keenan which is directly below this.

Trying to encapsulate all that has gone on in this collective time of the past 13-14 years regarding Neil is like asking you to smell the number 9.

He is fighting hard every day to keep the cabal and **Khazarians** at a distance from successfully enacting their detailed and far reaching plans to eliminate in excess of 90 percent of the world's population.

Heads of various elements of these very real and nefarious entities call Neil to try and bribe him to quit fighting.

The answer is always the same... why quit when we are winning?

We are at the point in this struggle to save humanity where it is now 'war'.

In the video below, it will appear visually and sound like he is tired. Be assured that even though the fight is all consuming, the energy exists in Neil and his small group of people to go harder when the going gets toughest.

This is the nature of real leadership. We few know the consequences of our actions as well as the consequences of failure.

The Khazarians and Cabal are global. They control what you eat, where you live, what you breathe, what you are allowed to say and do.

This latest global effort to socially re-engineer is the acceleration of their end game plans. Masks, vaccines, isolation, protocols etcetera established far in advance to make you fear something that is relatively harmless.

Well, Neil has many plans ready to be deployed in our fight to destroy them root and stem.

It is indeed a war, and we will seek them out to hold them accountable. No one will escape this. Neil has been taking them on for 13+ years, and is the only one that has seen, touched, heard and comprehended what is going on.

There are many urban legends and obfuscations circulating the Internet regarding Neil, many wonderous stories circulating and many self-aggrandizing 'experts' with 'sources' and 'connections' in high places with organizations that spin scenarios to make themselves become important, and personally profit from these stories.

So please allow me to tell you directly, from being with Neil every day for a while now, what is going on.

That is not what we do here. We go out, seek information, ingest what needs to be learned and factor that information into preparation of strategic and tactical plans. The real people we talk to are true experts and real-world leaders from around the planet. These people don't call the gossips or the pariahs profiting from the storytelling.

The world leaders and real experts call Neil – at any hour that strikes their fancy and needs. That's how it works when you have earned the respect of these world leaders – based upon 13+ years of fighting and winning.

The last two things I would like to address before the video below is that we will be fighting on behalf of the world from a location that has entrusted and validated the purity of Neil's soul.

We all have a soul contract, and Neil and his small band of warriors are fulfilling theirs—signed by each of us before we were born. The seat of that fight will be in a location that was long ago preordained.

Neil, for no known reason remembers having written an extensive paper in Grade 6 about Indonesia. His fights that lead to the filing of his Trillion Dollar Law Suit, again led him to Indonesia.

The trials to test the purity of his soul and the integrity needed to become Amanah happened in Indonesia. The Agreement signed by 29 Elders is hanging on the wall beside me as I type this, was signed in Indonesia. Indonesia already started the fight in

refusing to give former US Senator and Secretary of State John Kerry the gold he demanded in a visit to Jakarta.

(**NEIL KEENAN UPDATE | We're Mad As Hell And We're Not Gonna Take It Any More!**) and has been the site of endless earthquakes and weather machine manipulations since. This country stands strong. So, the seat for the fight to save and free the world will start in and emanate out from Indonesia.

**Not the USA nor any other terminally infected country.**

We are at the end. Neil will be taking the fight to the enemy very soon, and with the Blessings of those that support our efforts in this and every dimension – we will fulfill our soul contracts and save humanity.

This is THE truth, not a truth, not a rumor nor a story. Please enjoy Neil's message and thank you for reading this preface.

Very Respectfully,  
Kevin

**I'd Love to Change the World - Alvin Lee & Ten Years After**

### NEIL KEENAN UPDATE | Get Ready

June 13, 2021

“For more than twelve years Neil Keenan has sought the \$USD 124.5 Billion Federal Reserve Notes [Over \$USD 1.1 Trillion including compound interest] stolen from him by P2 Lodge Secretary and Vatican financial advisor – Daniellea Dal Bosco (he is really a woman and very feminine).

Dal Bosco is very close with World Economic Forum advisor Giancarlo Bruno, another party to the theft (who most recently married his boyfriend).

*The filing of the Trillion Dollar Lawsuit is more important than the opening of Pandoras Box, given that it deals with the survival of our world as we know it. Until this time no one, and I mean no one, had the balls to go after the Cabal/Illuminati and once Neil Keenan went chasing his notes things slowly began to change.*

*While he charged forward throughout the West, making finds that no one would ever believe others began to push filing their notes cautiously. The reckoning had begun. The Cabal, once realizing the cat was out of the bag, tried to speed up their own Agenda 2030 Program but once the cat is out it is almost impossible to return that feline back inside.*

*In the meanwhile, Neil and team went after “them” in a relentless manner. It was one exposure after another. Neil was not only looking for his assets; he was finding one criminal act after another perpetrated by the Cabal, and exposing such.*

***Take a look at his Archives** and you will find more exposures than any one person, group or nation has made in our history. He, and eventually his team, present as wrecking crews to this very day.*

*It began here and will end here, giving us a new beginning.*

Neil has traveled everywhere to nail down the bastards who have had their hands in this theft. After spending Millions and Millions of dollars pursuing them they finally seem to have completed a 360-degree cycle.

The notes were found in the Vatican Bank (discovered as part of an examination into the illegal activities they undertake), as a part of a greater series of thefts priming their slush fund.

Guess what? When presented with the information of the investigation Neil could not believe it and he will pursue it with further legal action in the very near future.

This Action will include many new names some of which were not named in the first legal action being the Trillion Dollar Lawsuit...

The list is long, and exhaustive – and now armed with all the evidence necessary to simultaneously and ignominiously take back what was his and destroy many perceptions and legacies of world- famous leaders and agencies.

***“Slush fund accounts of major US politicians identified and seized at Vatican Bank (Rome).** Connection established with Daniel Dal Bosco RICO indictment, which cites Giancarlo Bruno, Silvio Berlusconi & Ban Ki Moon. Beneficiaries of the covert Vatican accounts include Barack Obama, Michelle Obama and each of the Obama children, Michelle Obama’s mother, all the Bushes and the Clintons, including Chelsea Clinton, Joe Biden, Timothy Geithner, Janet Napolitano, several US Senators, including Mitch McConnell, several US Congressmen including John Boehner, several US Military*

*Chiefs of Staff, the US Provost Marshal, the US Judge Advocate General, the US Supreme Court Chief Justice, John Roberts, several US Judges, the Pope, and several Cardinals.*

*Big money was found in each of the accounts. The longer the beneficiaries have been in office, the greater the account balances were found to be. They range from a few million USD to more than a billion USD in the case of John Roberts. The total number of slush fund accounts so far identified at the Vatican Bank is said to be between 600 and 700. This number is likely to grow as international élite corruption investigations spread worldwide.”*

This list was updated in a 2020 Vatican Bank audit where 5,000 accounts were blocked and locked for various offenses including money laundering and fraud.

Neil is on his way to turning things around. He actually should be leaving to deal with things within the next couple of weeks. He is one angry man who is not only looking to make good for the planet but he is ready to take out the Khazars who have actually been placed into the most important parts of governorship by the same Khazars who have controlled the world.

He is aware that those in power are directed by what we call the Cabal, and the leadership of the Cabal controls the heads of nearly all potent organizations led by Khazars posing as Jewish or Hebrew entities.

They are not anywhere near being either of the above. They are what they are and it extends to the Freemasons.

The reports of the demise of Neil Keenan over the last few months have been greatly exaggerated. While recovering from a serious illness, he thought that this might indeed be the end of his time on this earth.

Then he thought about how much he would miss all of you, and fighting for you in this battle with the cabal.

Each time there were attempts on his life or efforts to remove him through other means – he survived.

Now recovered and gaining more energy every day, he is ready to bring the fight to the enemy.

He has their names, addresses, contact information etcetera and is not going to come back home without many of their heads. So get your house in order, be ready, stand tall and listen to some music.

Once dealt with we can never let it happen again.

A message from an associate:

*“What is real? Is he dead or alive? Sick or well? Fiction or reality?”*

*It is great to see that Neil is very real, very well and very much alive. Having followed him for many years it was invigorating to my soul when I saw his post about being on the mend, and very focused upon the real truth of what he and his team have uncovered over the last 10 plus years.*

*The fabric of the world we exist in is a detailed and elaborate piece of fiction, a mirage created by the New World Order, globalists and governments that are bent upon our subjugation and enslavement.*

*Thanks must go to Neil for what he has achieved and the risks he has taken. Given the blatant attempts on his life, the Khazarians must be worried, must be apprehensive – otherwise why have they been trying to kill him since he was elected Amanah? And so a modern day hero is alive, and from what I gather, he is a very angry man. Good. Heroes should be angry.*

*The Khazars and their lackies have to be rooted out and eliminated. The holes in their stories expose the lies we live through by their creation. Be angry Neil. Get rid of this scum and cast off the bonds of forced enslavement in our world.*

*Use their elaborate laws – that they change in a second, without basis or true legality – and trap them so that they can no longer continue. Take away their illegal access to funds that are under your control and starve all of them and their families. Eliminate their existence and help humanity wake up to the truth. Good on you Neil!*

*No one has made it this close to what you have been tasked to do, and many talk a good game, but the truth is – it takes a lot of bravery to fight against these scum. So I am sending you encouragement to keep fighting. Humanity does not appear to be helping you, which I cannot understand. Maybe they do not care, maybe they should not be saved.*

*But regardless, keep taking out those that legally have no right to take on roles of*

*supreme power, telling us what and how to think, where and who to speak to; tracking us like commodities in where we go, what we earn and where we spend it. So far all they have done is mess this planet up.*

*But that is their plan. And free-thinking people like Neil have no role in their plans. He is pivotal in turning the tables, unmasking the entities of group-think with agendas that contain no logic. The World Economic Forum, the Vatican, the World Bank, the EU, the central banks around the world, and many others. The list is long, but be thorough and root them all out.*

*So, all I can say is WELCOME BACK NEIL. Great to hear you are better than ever. With your team and others now by your side you will be able to kick them all a little bit harder. I have heard some of the names and can only say one thing: "WOW."*

*The Armada is ready to roll...  
Good luck and please keep us up to date.*

## NEIL KEENAN UPDATE | Eve Of Destruction

December 23, 2021

(The Time Has Come)

12 years ago, or maybe a bit more, a turning point in the history of mankind took place.

The Global Collateral Accounts authenticated the existence of US Treasury Gold Backed Notes held by Neil Keenan. Collectively in terms of gold value and interest due, the Notes and Bonds entrusted to Mr. Keenan are worth over a One Trillion US Dollars. These Notes were subsequently stolen in an international money laundering operation by notable persons in the FED, UN, World Economic Forum, Italian government, P2 Lodge Freemasons and the Vatican and then into the pockets of Presidents and politicians.

This scam was highlighted in the infamous **“Trillion Dollar Lawsuit”** that rocked the global financial markets and exposed the dark underbelly of global financing.

This incredible journey of financial theft and intrigue started when Benjamin Fulford introduced Neil to an Italian national named Daniel Dal Bosco who worked for both the Vatican and P2 Lodge.

After meeting and discussing with Dal Bosco the future options and direction including redemption of the notes, the Notes were turned over to Daniel Dal Bosco for safe keeping while Neil travelled around Europe organizing a multi-nation financial deal.

Carrying the Notes was just too risky as one of Neil's associates had already had similar Notes confiscated by the Italian Financial Police at the Swiss border in Chiasso. In turn and unbeknownst to Neil, Dal Bosco contacted his own friend at the World Economic Forum (Giancarlo Bruno) in Geneva.

Together with Benjamin Fulford they devised a scheme which they thought would be successful enough to bring the notes legally to their possession.

What they never suspected was that Neil Keenan would not only chase them all over the planet but anyone and everyone who worked with them in their attempts to steal what did not belong to them would end up in his sites.

Dal Bosco, Bruno and Fulford then reached out to Leo Zagami (of Fake P2 Lodge Association) to assist in the theft and laundering operation.

Neil was pressing hard to regain these notes when they offered Neil a bunch of money (>\$100 million USD) to go away and forget the Dragon Family. Neil refused the offer and picked up on the chase in earnest for retrieving his notes.

Interestingly, Benjamin Fulford just a little later went to Italy to meet with Zagami in order to secure his share of the spoils... After spending a little more than one day Benjamin returned to Japan claiming those that he visited had poisoned him.

He didn't want his paying customers to know that he facilitated and participated in the theft.

Collectively, these four thieves did not assume, to their detriment, that Neil would chase them down all over the world to get these assets back into his possession. And not only these four criminals, but any person that had any dealings with the theft.

As time grew, it became a long list of some well-known names. Many of these names have taken direct action attempting to eliminate Neil. In fact, the number of attempts is staggering (including 14 poisonings, multiple car accidents and taking out contracts for his life to be taken) during the past 13 years.

Neil has bounced back stronger than ever. It should never be said that one man or a few good men cannot make enough noise to deal with such groups. Now while on their knees Neil is going to deal with them as only, he knows how.

If dealt with properly the planet will survive and the Cabal/Khazars and such simpletons as Dal Bosco, Fulford and Zagami etc., as well as, the World Economic Forum, World Health Organization, United Nations (all Western created organizations) etc., will suffer greatly and look for escape. They are already actively planning their retreats.

The counter-attack started with the filing of the Trillion Dollar Lawsuit in New York Federal Court of Manhattan. The filing of this lawsuit known as the exposing of Financial Tyranny has lit the fire whereby making a return of the assets and settlement at the time... impossible.

Obama appointed a corrupt and inexperienced judge one directly related to his financial advisor to exclusively handle the case. Neil withdrew with prejudice and will file again in international jurisdictions soon. All the evidence is there.

Neil, of course, saw red and wanted revenge for such thefts, murders that took place by a litany of what the public considers our leaders but really are nothing other than a pile of garbage.

What Neil found during his battles was nothing more than a big pile of crap and he started to clean it up. They still have nowhere to hide any longer and, as stated once the legal action had been filed, everyone could see who and what created not only Neil's problem but the planetary financial and economic problems that humanity is saddled with today.

The Trillion Dollar Lawsuit is public knowledge and says it all. You can see the Defendants listed and whom we fight today 13 years later. The very same group of Westerners, governments, corporations and entities are demanding that we turn the planet over to them with the World Economic Forum leading the parade.

Fortunately for humanity, and considerably less so for these scums, Neil is right in the middle of the road preventing them from getting by. Despite their attempts to kill and or bribe him to stop, he is poised for the final battles and will attempt with his group to keep said Thieves in the West where they belong (in jail!).

This is a battle of epic proportions but one that will be over with rather quickly once Neil takes the helm.

There will be no place to hide. Tis the season and Neil knows who has been naughty, where they live, as well as, where they are planning to hide. Unlike Santa delivering coal to the naughty ones, Neil will lean on his Irish roots, and the Angry Leprechaun will be bringing court cases, arrests and nasty jail sentences.

This truly is it. This will include complicit institutions like the BIS, World Bank, FED, WEF, Vatican, etc. He has the Black Book and list of accounts; he has access to all the financial transactions and the names of all those delving into this corruption.

The same means created by these disgusting people to track you and me, is about to work against them. Everything is being watched.

All transit (public and private flights), land transactions (places like NW United States, New Zealand, Australia, parts of Europe like Ireland, UK etc.) There is no escaping the Angry Leprechaun whose pot of gold was stolen – you idiots had to know he was coming to get it.

These were the beginnings of a lengthy list of unsavory stuff that Neil has had to suffer through. Each attempt to cover their tracks made it easier to add more defendants to the lawsuit. Let us examine a few over the last 14 years, shall we?

Maybe you will start to understand what one man and a small team are capable of.

There are very public people at the highest offices in the world involved in obfuscating the retrieval of what was stolen from Neil, as well as, preventing the participation of East Asia in participating in the directing of the world's financial systems.

This involves Presidents, monarchs, leaders of international organizations, Intelligence Agencies and more. They like their positions of grandeur and wealth. They will stop at nothing to defend any and all of their agendas and actions.

This was evidenced when Neil, in search of his funds, emailed then Secretary General of the United Nations, the very dishonorable Ban-Ki Moon.

In the letter, Neil outlined that he had direct knowledge of the assets being in safekeeping with the United Nations. Undeterred by the lack of response, Neil's very good friend and longtime associate Joe Bendana became involved.

Joe spoke directly with Moon at the United Nations, and had information vital to the stolen notes and the people who were manipulating their retrieval.

These conversations were overheard by another associate of Neil's and close family member of Joe. Gentleman named Frankie relayed the conversations to Neil. With a sequence of events and timelines, it is now obvious to even a child, that the conversations were tapped, recorded and actions taken based upon the violation private conversations – by the same authorities that were using the stolen assets. This is very disturbing at any level.

Two days later Joe was found dead (murdered) in his apartment. Circumstances indicated he had been suffocated and all fingers point to the UN and the World Economic Forum as operatives used to prevent Joe from divulging the information in person to Neil, whom he was scheduled to meet in four days.

The loss of Joe was a devastating blow to Neil, considering the times they had lived their lives together. It was also a very painful reminder that the war was "On", and these pathetic people will stop literally at nothing to prevent you from finding out how disgusting they are.

Here is another truth that happened not so long ago and is a very complicated feat of Neil stepping up to help humanity.

It involves Iran (past and present), an overthrown ruler (Shah Pahlavi and his family) and Obama. In exchange for \$3 Trillion USD sent on pallets via US Air Force C140 aircraft to Iran, Obama had contrived a story that this was restitution for past money seized during the revolution in Iran. The money was NOT what it appeared to be in the eyes of the media.

The bulk of it was for the purchase of gold directly for Obama from the Shah's gold deposits held by the Thai government on the Shah's behalf. This was facilitated by the Shah's second son of Shah Pahlavi (a fellow by the name of Anwar).

Hedging his bets on the collapse of fiat currencies, Obama wanted to make sure he had a healthy nest egg with vast stores of bullion. 10,000 Metric Tons of Gold was the deal, and the site of delivery to Obama's team was the Bay of Bangkok and the Thai government would handle the delivery.

This was all exposed and halted by Neil with the use of surveillance and images provided by the Dragon Family satellites.

What has never been revealed is that Iran and Obama were also using the USD \$ 3.0 trillion to finance the Cabal. A perfect fit for Obama and the boys since they are no less than terrorists themselves.

Other portions of the \$3 Trillion was hush money to the government of Iran, to keep quiet about the Obama "Other Storyline" for the assassination of Osama bin Laden. He is alive and well. His double was killed. Additional money was used to subsidize the Iran nuclear program and arming ME rebel groups.

But this is not the end of the weirdness of truth. The Shah that was overthrown, Pahlavi (in 1979) lived, breathed and resided in Brussels Belgium. Neil had coffee with him. The second son (Anwar) was to accompany the gold from Iran to Obama's care in the Bay of Bangkok.

The Shah's first son, is a nice young man raised by family members in Florida after the reported (the fake) death of his father and personal attacks by his younger brother. Neil says he looks good, but has aged considerably and wants his position returned to him. Things in fiction make more sense than the reality of all this.

Here is another gem of shining truth. Do you remember when Neil saved 23 million people and the Tsunamis from hitting New York City? Obama and Biden had conspired to destroy the entire Eastern Sea Coast of the United States.

The banking industry knew and had already moved their records and secure operations to Stamford, Connecticut. Yes, they were involved and had advanced notice yet Neil through his sources received this info even before the Cabal and therefore was able to prevent this from happening.

As a matter of fact, the bunker that Obama had recently made within the White House which was their getaway for Obama and his family as well as VP Biden and family came up empty. The plan?

When they opened the bunker doors after three days and came out to face their new world amidst all the destruction that they hoped they created they were at a complete loss for words. Their destructive dreams broken and the world moving on as it always had.

Remember what happened to those two generals who were supposed to have the nuclear missiles dropped in the midst of Charleston, South Carolina. Why was Charleston targeted for the second time in History and why did Fort Hood open their doors with missiles attached to drop into the midst of Charleston?

Why was there no investigation yet only blame placed on supposedly a couple of generals who were only following President Obama's orders? Why did no one sign for the release of the bombs from Fort Hood?

The use of nuclear missiles is an executive order and requires the signature of the President. No such signature exists yet the missiles were loaded. Why is Obama and his team still walking around today?

Does anyone care 23 million people were supposed to die and why didn't Neil Keenan receive nary a thank you from those on the East Coast that would potentially might have died from such hatred by politicians, co-conspirators, and treasonous non-Americans including its past Presidents and much more.

Well, I might be the belated first and want to be so THANK YOU NEIL KEENAN AND ALL. MY FAMILY IS ALIVE AND WELL.

And once they were tossed out of office and not required to return, the new private citizen Biden and his family and team went to work overseas with what Obama and team had actually set up. Enter China and Ukraine.

In order to know what Neil and Group K have done one must look at the archives (everything is right there on his website). It will blow your mind. He has literally taken charge of what our authorities, who in most cases have united with the Cabal, were commissioned to do. It is Neil that stood tall and gone after them. Things need to be cleaned up....

If you think this is all fabricated – take a look at the outcome of the audit of the Vatican Slush fund released in June of this year. What you will find is that the notes stolen from Neil are included within the fund itself, the Vatican Slush Fund. All roads lead to Rome apparently.

What is the genesis of these people and the activities? The most recent junction is the Bretton Woods Agreement signed by the Allies of World War 2, in New Hampshire. It was an arrangement for an international standard outside the then accepted gold

standard.

In the agreement, the Allies agreed to support a fixed exchange rate and each other's currency. Signed in 1944, it was a deliberately constructed arrangement that kept the global strength and control of the financial markets in their hands. The West excluded the East. Deliberately.

When Clinton renewed the Agreement in 1995, he stated to Asian markets that he would represent their interests and inclusions in the world of finance. When the parties renewed the Agreement, the Americans and the British stonewalled the Dragon Families from retrieving their assets (gold) on a monthly basis.

They were continuously playing with other people's money and were not about letting their scamming end.

With Neil as the Amanah representing the assets of Dragon Family and Elders of Java – this is not an acceptable scenario. Imagine having your assets being leveraged by someone else, being sometimes paid for the privilege, sometimes not, and not just having no say in the conditions of the market but having to live with the consequences of decisions you did not make.

This is a strident point in what makes Neil determined to right a historical wrong. Retrieval of Dragon Family Assets from the Global Collateral Accounts and the abusive Banksters is his objective. And this financial abuse continues to be taken on his watch. Not for much longer!

The terms under which he became first notary, then signatory power of attorney and then Amanah – was that he had to finance this hunt for the stolen goods on his own. So in 2011, Neil created a meeting in Monaco attended by 57 invitees from nations from the East.

There was an agreement among those important dignitaries present to create a mechanism to legally retrieve assets held in the West, then destroy the Cabal owned private Central Banks that controlled the flow and terms of all money worldwide. From this agreement, all assets would be hard asset backed.

So, he went face to face with the future and past in the present. How many people could have thrown a Rockefeller into the Mediterranean from a private yacht? Neil can and almost did – actually he bumped that sack of garbage and he almost fell in the water.

The real theater began immediately after that when the yacht was targeted by US Blackhawk helicopters aiming an EMP weapon that would disable all the electronics on the yacht, and also the nervous systems of all its occupants.

In the meanwhile the French Mirage fighter jets were right up on the Blackhawks and tipping their wings making note to them that they needed to leave the French Airspace and not later, now.

The outcome of the Monaco Accord itself went off on a tangent with the eventual inclusion of the West with the BRICS involvements, and later the CIPS banking financial transfer mechanism created specifically to obliterate the hegemony of the US Federal Reserve (and bureaucracy), and the SWIFT system (again a Neil's doing).

This was the outcome of a man on a mission. The creation of the AIIB (Asian International Investment Bank) provided the core backbone for turning the vast sum of assets in Asia into humanitarian funds directed at first Asian betterment then all humanity around the globe.

"1" gutsy guy and a small team. That's right it was Neil's thought and his idea and it has come to be and exists to this very day. THIS MIGHT BE THE LAST TIME  
How many of you are saying you have heard this song over and over again but never knew that between hits much happened that related directly to everyone's life on this planet and that Neil Keenan and his team (even though Neil was half dead at times) were behind this.

Probably not any of you. You are too busy reading in on others who have never left their house and are talking about their sauces (sources). They are not out fighting anything. Ironically those sauces are more valuable in salads than their own lives. How can you believe them?

Well, Neil is off again and all signs are positive. If so, then you will not have many more fake posts to read seeing that the Cabal will most likely be at your door. There will be no one to help you and then you become a statistic for being one of the 90% on this planet who will no longer be considered counted as one of the living.

They warned you many times but you never paid heed. Now it comes down to this. They plan on eliminating 2-3 Billion of us good folks within the next few months.

Ireland for example has been heavily targeted and just might end up with just over 1 million in population. New Zealand just might end up with less than the above one million seeing the Cabal already own the political establishment. They have already succeeded in this and again we do nothing about it.

Only Neil will step up and fight for his home country (Ireland) yet there are precautions here as well. Also, in his other residences (places he has loved) such as the Dominican Republic, Peru, the Republic of Rhode Island (Governor Michael Levesque), Bulgaria which has been under attack alongside New Zealand for many, many months.

And INDONESIA, NEIL'S SECOND HOME and sometimes considered his first home seeing this is where his heart truly is.

The "Forces that Were" have been stumped at every turn to date by Neil who can actually foresee what is happening next and take preventative measures to stop it.

It has been one trip after another to do so but amazingly what he finds is that many of what we considered to be good people gradually increase their migration to the Cabal.

They turn themselves over so their families are safe yet they too will be sacrificed on the Cabal alters. Again, Neil is in this fight not for himself but for all of humanity and doing so without a lot of help... and with a lot of his own money.

The Cabal's old money and bribery practice has been in existence for hundreds of years. We call these Satanists cowards, traitors, murderers, and worse. If we were to adjudicate against them, file charges, publicize their motives etc., things would change, but the legal system and Courts with the media work for the Cabal.

Everything seems to be theirs, built and working, utilizing from the very beginning the money they stole from us. It is time to move or the Khazars will take over our planet and you will be their slaves. It does not matter our color, faith or class. They want us.

A most recent development has taken place. One that could be our answer once and for all and make this planet safe after a battle to save it. It is going to be hard to swallow but you must remember who has gone to bat for this planet and who has put his life on the line time and time again? You figure it out...

All nasty stuff, right? Well, how about UN Agenda 2030? This is a Khazarian and Cabal driven demonic plan to eliminate over 90% of the humans on this planet. You can find this out for yourself by using your computer search engine and asking to find Agenda 21 or Agenda 30.

You will in fact see that this has been planned for a very long time. But who actually traced all of this before it happened to where we are today?

Neil and his investigative genius, Jeanne, went to work and exposed the fact that Queen Elizabeth owned 51 percent of the patent for COVID and its poisonous vaccine. Guess it is unrelated to the reason she has walked away from her duties at Buckingham.

Jeanne was very thorough in making a straight line that connected dots preceding the development of what we call a 'pandemic' connecting to SARs in 2001 with gain of function research undertaken.

Or Neil's August 2018 expose on vaccines (it is in the archives). The lists go on and on. Small team. Big results. Protecting all humanity...again... and again.

Neil is the elected Amanah (principal Trustee) for Indonesia. Now he's coming and he is going to leave his mark. Who knows what this means!! I cannot even imagine the havoc of an Angry Leprechaun.

In this case, you will not have to endure many more ridiculous posts on other platforms from pretenders and thieves that "know shit from Shinola" (a Neil saying).

Thank you, Neil.

God Bless you and thank you for caring enough to do the stunning things you have undertaken, mostly alone with very little help. The people of Java and Indonesia are better for having chosen a fighter that is going to get down and dirty for all humanity. I hope others with means get up and help too. It would be truly amazing to see an effort from more than a handful of people.

Enough said for now as "This might be the last time" as the battle for humanity is climaxing. I have got my own legal stones to throw. I hope you all have some of your own. If not just help Neil as he is tossing boulders.

Take a good look around you. Who do you see beside you, how can we win this? There has only been one person who has refused to back down, and be the effective weapon to initiate the Fall of the Cabal.

If you do not realize Neil Keenan is this person it is undeniable what the future will hold and it will be the same thing that we see now over and over again until 90% of the population is extinguished.

God Bless You Neil Keenan and Group K May You Forever Be Protected.

**NEIL KEENAN UPDATE** | THE OFFICIAL OFFICE OF THE AMANAH  
12/24/2021: THE ONE ANNOUNCEMENT  
December 24, 2021

As of December 1, 2021, Amanah **Neil Keenan**'s status was exalted to THE ONE.

**THE ONE AND ONLY** – who has possession of the sealed Black Book and foisted by his predestined superior authority and pinnacle power over the world's financial systems – inclusive of the eastern Dragon Family Financial Instruments (DFFI) by his 2009 appointment as Special Power of Attorney and fulfilling his mission of securing and being elected as the Amanah of the Global Collateral Accounts (GCA); as well as planned restructuring and refinancing the corrupt fiat and debt defunct Cabal-Khazar's western banking systems to be backed by **THE ONE'S** gold/silver asset currencies i.e.: World Bank, Bank of International Settlements, International Monetary Fund, Federal Reserve, National Central Banks, Vatican Bank, Queen's Bank and other tiered banks. Upon his Indonesian Elders election as Amanah in 2018, Keenan has been in a strategic stealth mode in covertly battling the cabal while discoursing with influential people and negotiating with powerful leaders to reach mutual agreements.

On December 1, 2021, Keenan accepted the global spiritual, political and financial leaders entrusted acclamations and their chosen recognition of his ordained status as **THE ONE**.

As **THE ONE**, Neil Keenan has proven himself to be resolute, fearless and spiritually invincible of the Cabal-Khazar's malice efforts to: bribe and sideline him, intercept and pilfer his bank accounts, deter his international businesses and seize his properties, as well as countless metaphysical and physical (20+) assassination attempts.

Plotting Keenan's demise continues to be the Cabal-Khazar's financial and power checkmate moves to realize their evil means to destroy, dominate and depopulate the planet. But, the Cabal-Khazar's ulterior United Nations 2021-30 Agenda will fail and will not become a reality.

**THE ONE'S** destiny and victory has metaphysically manifested in the spiritual realm and is presently emerging into physical and biblical existence.

While Keenan has experienced numerous personal and professional losses on many fronts during these past decades, the Cabal-Khazars futile attempts on Neil's life have been brilliantly foiled and miraculously overcome by Keenan's innate knowing and his spiritual protectors.

Keenan's Irish ways and American resilience has only emboldened and empowered him to ultimately achieve the status of **THE ONE** – Keenan is still standing and mightier than ever.

Neil Keenan is renowned for his infamous *Bite* once he's nefariously crossed, especially since his November 23, 2011 Trillion Dollar Lawsuit that opened the Cabal-Khazar's Pandora's Box.

Once elected as the Amanah in 2018, Keenan's *Bite* became more ferocious and detrimental.

Now, with the exalted status of **THE ONE**, Keenan's *Bite* will have absolutely no mercy to those who have not rightly honored humans – the true creditors of the world's wealth.

**THE ONE** is laser focused and has a precise bead on the Cabal-Khazars, especially those who have retreated to their bolt-holed enclaves in the: United States, United Kingdom, Ireland, European Union, New Zealand and Australia – they are all in his proximate crosshairs.

There is nowhere in the world (and off world) for the inhumane criminals to escape from **THE ONE** – Neil Francis Keenan is the tip of the spear, whose spiritually armored and akin to Saint Michael battling the demonic Dragon with his mighty sword.

With the loyal support of his Group K team, **THE ONE** will drop the power hammer, administer his world's financial authority and enforce justice to right the wrongs of the Cabal-Khazars Synagogue of Satan, which have deprived, enslaved and harmed our sovereign humanity.

**THE ONE** will ultimately usher in the Golden Age by funding humanitarian and planetary projects from eons of accrued traded wealth, amassed precious metals and gems assets, as well as financial heritage accounts.

Neil Keenan's transmuted status as **THE ONE** signals closing the **AMANAH'S VALOR & VICTOR TRILOGY** featuring his legacy from 2008-2021 – **AMANAH of OZ and AMANAH'S ODYSSEY**.

Just as the caterpillar chrysalis transforms into a beautiful butterfly, Amanah Neil Keenan has metamorphosed to begin his new life's path as **THE ONE** to create an epic narrative of **THE ONE'S OPUS**...Let it be!

**WEF'S FOUNDER KLAUS SCHWAB —“THE EMPEROR HAS NO CLOTHES”**

**THE ONE**, Neil Keenan, has his own Klaus Schwab — the Founder and Executive Chairman of the World Economic Forum (WEF) aka as the self-proclaimed Emperor of the New World Order — vendetta version of the original Hans Christian Andersen's folk tale entitled, “The Emperor's New Clothes,” which is suitably in synch with the pop culture's narrative in showcasing, “The Emperor Has No Clothes.”

**What's the origin of *The Emperor Has No Clothes*? (SlangLang)**

*The Emperor's New Clothes* was published along with *The Little Mermaid* in 1837. The tale tells the story of two swindlers pulling a fraud on an exhibitionistic emperor, who is obsessed with clothing and fashion by telling him and his court, that they will tailor an outfit that can only be seen by the wise.

This results in [nobody](#) admitting that the emperor is in fact naked, up until the very end of the tale, when he is displaying it publicly in the streets. The story

ends with a boy suddenly shouting “the emperor has no clothes” and the whole audience bursting out in laughter.

#### What does *The Emperor Has No Clothes* mean?

*The emperor has no clothes* is an idiomatic expression and a popular phrase, coming from the punchline of *Hans Christian Andersen's* folktale, titled *The Emperor's New Clothes*.

#### How did *The Emperor Has No Clothes* spread?

*The expression has since turned into an idiomatic phrase, said when the veil falls off of an illusion. It was first defined on Urban Dictionary in 2005:*

*"[The Emperor Wears No Clothes](#)" or "[The Emperor](#) Has No Clothes" is often used in political and social contexts for any obvious truth [denied](#) by the majority despite the evidence of their eyes, especially when proclaimed by the government.*

*When people say "The emperor wears no clothes", they mean that other people need to stop being ass kissers to a political leader and [see things](#) for what they truly are instead of denying the truth of the situation.*

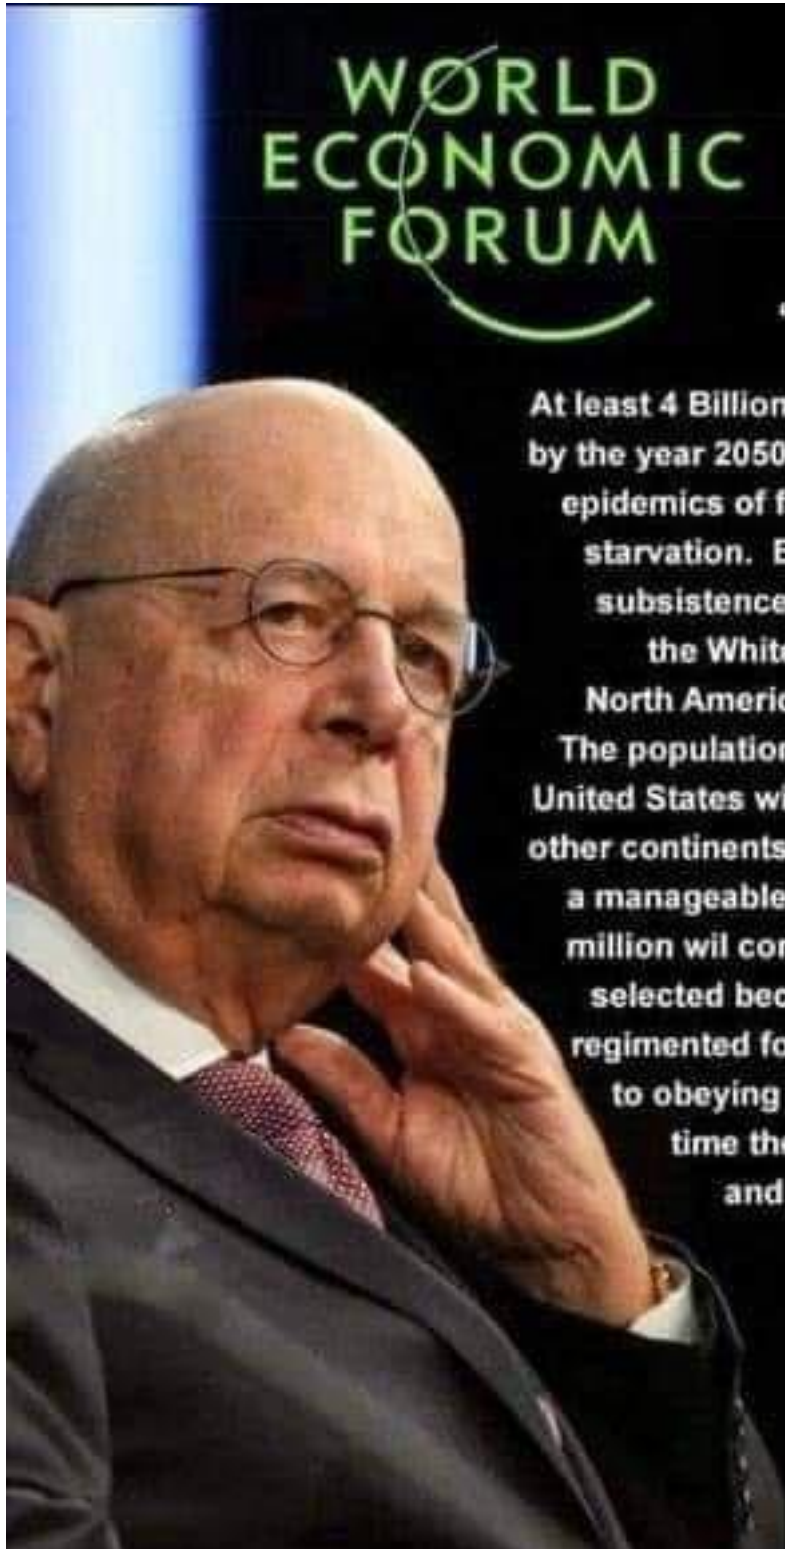

*It takes a person with guts to speak the truth and blast through the bullshit and lies.*

The population of Canada, Western Europe and the United States will be decimated more rapidly than on other continents, until the worlds population reaches a manageable level of 1 billion, of which which 500 million wil consist of Chinese and Japanese races, selected because they are people who have been regimented for centuries and who are accustomed to obeying authority without question. *My name is xxxx and I am a retired intelligence officer from the Country of xxxxx. The following took place during a short period of time during the year 2010 and it is to the best of my recollection that I state the following:*

*In late May, 2010, I met with Dal Bosco in Geneva who introduced me to an individual named **Giancarlo Bruno** from the World Economic Forum. I extended my business card to Mr. Bruno but Dal Bosco said it was not necessary and that no one should know the other so well, so cards were not necessary.*

*While sitting in the Intercontinental Hotel with Mr. Bruno many things were discussed with the highly intelligent. Bruno with Dal Bosco deferring to him for all questions to be answered. It was clear Bruno was running the show.*

*Bruno explained how the Davos Program in Davos, Switzerland was a total success and that what he was going to speak to me about involved the future and success of Davos which would extend their hand to me.*

*He went through a litany of names that he had done business with including Ex-President of the U.S. William Clinton, and ex U.S. Secretary of State of the U.S., **Henry Kissinger** and Alan Greenspan.*

*When he was through puffing so much smoke at me, he advised me what they wanted to do with the Bonds or Notes Mr. Keenan was holding for the Dragon Family and who was involved.*

*After reading off names like the Permanent Representative of Italy to the United Nations H.E. Ambassador **Cesare Maria Ragaglini** in New York and Her Excellency Ms. **Laura Mirachian**, Ambassador Permanent Representative in Geneva, Switzerland, The Italian Financial Police, Prime Minister **Berlusconi**, **Leo Zagami**, and others he said to me, "so you see there is no possible way we can have a problem. We can cloak ourselves with the immunity shield and everyone will go away. Just another day **in the UN!**"*

*I asked him to explain to me what this meant and he said, "we want you to get Keenan to give the bonds to us for 100 million USD. Not one cent more. We have better uses for the Notes than Keenan would ever dream of nor would he release them to us so readily. So, we need your help!"*

*Dal Bosco then explained that he had approached others for help but that Neil Keenan would not move and that the Sovereign Program was all set up to go with these Bonds and they had to move quickly. They were hoping my Intelligence status might frighten Keenan a bit to releasing the Notes.*

*While sitting with them in the Hotel Intercontinental I felt uncomfortable with Bruno making and receiving calls without my knowledge of who he was contacting thereby possibly jeopardizing my safety, but approximately 45 minutes after Mr. Bruno started speaking to me a very pleasant and intelligent woman arrived who called herself, Ms. Laura Mirachian.*

*She was introduced to me by both Dal Bosco and Bruno. Upon sitting Mr. Bruno began asking Ms. Marachian questions that related to the matter of the Bonds and she said that from the very top we were protected and there was no reason for anyone, including Mr. Keenan to worry about any sort of repercussions.*

*That the Italian cohorts in NY had even approved this matter with the Secretary General **Ban Ki-moon**, "But of course, he will deny any such matter if questioned!" I understood that this was an all-Italian conspiracy to steal the Bonds at this time with approval being granted to do so by the Secretary General himself, Ban Ki-moon of the United Nations.*

*Mr. Bruno at this time advised me that this is not a very large undertaking in matter of fact it is quite small in accordance to UN Standards.*

*He told me the UN was in the process of confiscating Trillions and Trillions of Dollars in assets within the next couple of months and that again no one could do anything about it. I asked if the money was UN money and he said "of course not!"*

*It was clear they needed my help to get Mr. Neil Keenan to give Dal Bosco the okay to use the bonds like this seeing Mr. Keenan had already made Dal Bosco custodian of the bonds according to Dal Bosco. He said that he could take them and use them without Keenan's knowledge but that he was afraid they would be asked for and he would find himself in one bad spot.*

*Besides, they had future plans with the bonds as well so they would have to be given over to them so that no one could cause a ruckus claiming they were stolen from them. Not anyone could withstand such scrutiny Bruno said so they were trying to buy the [Banco di Lugano](#) in Switzerland to hide such things as stolen instruments.*

*I asked who was buying the bank and Dal Bosco said the Italian Financial Police, Berlusconi, and others. They would trade the many instruments stolen over the years by the Italian Financial Police and trade them from the Swiss Bank and no one would be the wiser. They even told me that Mr. Keenan's friend was involved in the Bank itself.*

*Apparently, the easy way was for Mr. Keenan to cooperate with the entire scheme already in motion. The money would never be found, they would be moving to Paraguay, South America where [the Elite](#) would hide once everything already in motion began. [The Bush's bought a ranch](#) as have so many others down there I was told and it would be the safe haven for everyone involved in destroying the World as we know it today.*

*Paraguay was going to be and is going to be the hide out. This was their reward for destroying the United States and the World. A Hide Out!*

*To finish off our meeting they called a Cesare Maria Ragaglini in New York (I saw the number dialed being a NY Exchange) and they asked him if everyone was ready to do the Bond deal and he said the Powers that be in NY had no problems with the actions about to be taken so long as some candy was tossed to them.*

*Ban Ki-moon was on board and approved the plan so everything was in place but Keenan. Mr. Ragaglini told me to rope Keenan in because it was necessary for success.*

*Supposedly this was my job! Mr. Keenan never gave his approval and the bonds were stolen in June 2010 (I believe). Compensation was mentioned for my participation but no exact amount was ever mentioned.*

*The following is true to the best of my knowledge.*

As an agent of WEF, Bruno offered Neil Keenan a luring \$100 million USD to join in the WEF, UN, Vatican deal and drop his dogged pursuit to recover the stolen \$134.5 Billion Dragon Family Financial Instruments (DFFI). Neil Keenan steadfastly refused and “let his dogs out” to catch the **thieves** and hold them accountable by filing his Trillion Dollar Civil Lawsuit and thus opening the Cabal-Khazars Pandora’s Box of Financial Tyranny, which “connected the dots” for Intel Agencies investigations.

After a decade from Keenan’s 2011 Trillion Dollar Lawsuit filing and his 2012 withdrawal with prejudice to refile in an International Judicial jurisdiction, the stolen \$134.5 Billion DFFI have been traced to the Vatican Bank Slush Fund.

### June 2021 - Neil Keenan - Group K, Ltd.The Vatican Bank Slush Fund

*The total number of **slush fund** accounts so far identified at the **Vatican** Bank is said to be between 600 and 700. This number is likely to grow as international élite corruption investigations spread worldwide."*

*The notes were found in the Vatican Bank (discovered as part of an examination into the illegal activities they undertake), as a part of a greater series of thefts priming their slush fund. When presented with the information of the investigation, Keenan declared his commitment to pursue the Vatican Slush Fund with vengeance with further legal action and other means in the very near future.*

*The International jurisdiction legal action will include many new names, some of which were not named in his Trillion Dollar Civil Lawsuit he filed in U.S. Southern District Court of New York on November 23, 2011.*

*The list is long, and exhaustive – and now armed with all the evidence necessary to simultaneously and ignominiously take back what was his and destroy many perceptions and legacies of world- famous leaders and agencies.*

*“Slush fund accounts of major US politicians identified and seized at Vatican Bank (Rome). Connection established with Daniel Dal Bosco RICO indictment, which cites Giancarlo Bruno, Silvio Berlusconi & Ban Ki Moon. Beneficiaries of the covert Vatican accounts include Barack Obama, Michelle Obama and each of the Obama children, Michelle Obama’s mother, all the Bushes and the Clintons, including Chelsea Clinton, Joe Biden, Timothy Geithner, Janet Napolitano, several US Senators, including Mitch McConnell, several US Congressmen including John Boehner, several US Military Chiefs of Staff, the US Provost Marshal, the US Judge Advocate General, the US Supreme Court Chief Justice, John Roberts, several US Judges, the Pope, and several Cardinals.*

*Big money was found in each of the accounts. The longer the beneficiaries have been in office, the greater the account balances were found to be. They range from a few million USD to more than a billion USD in the case of John Roberts.*

*The total number of slush fund accounts so far identified at the Vatican Bank is said to be between 600 and 700. This number is likely to grow as international élite corruption investigations spread worldwide.”*

This list was updated in a 2020 Vatican Bank audit where 5,000 accounts were blocked and locked for various offenses including money laundering and fraud.

**THE ONE**, Neil Keenan's, Irish roots has an infamous tale of the Patron Saint Patrick eliminating snakes. Will **THE ONE** use his Amanah Scepters and Irish ways as a metaphysical means to expel Klaus Schwab and exterminate the WEF's slithering legions from the world existence as Saint Patrick banished the snakes from Ireland?

**What did Saint Patrick do in Ireland? Banished the snakes away.**

**Did St. Patrick really banish all the snakes from Ireland ...**

We all know St. **Patrick**, among many other things, as the man who banished snakes **from** the green fields of **Ireland**. Yes, once upon a time, **snakes** were slithering and

sliding around the Irish countryside, but their disappearance had absolutely nothing to do with any divine intervention.

Legend has it that [St. Paddy](#) stood on a hilltop, dressed in his formal green attire, and waved his staff to herd all the slithering creatures into the sea, expelling them from the [Emerald Isle](#) forever. And low and behold, there hasn't been a snake seen in Ireland since 461 A.D.

*A bizarre new video of the globalist World Economic Forum is ordering citizens of western countries to cease washing their clothes in order to fight climate change, following the WEF's commands that the populace of developed nations eat bugs and [renounce all possessions](#) in order to lower carbon emissions.*

*The strange missive appeared on [the WEF's Twitter feed](#) on Sunday morning.*
